PRIVAPER.

#### POTATOES

The report that a considerable part of the crop in certain districts of Eastern Ontario had been damaged by the excessive rains has been substantiaated, sive rains has been substantiaated, but it does not seem to have had any effect on the prices. In fact, quotations are lower than last week, and new Ontarios are quoted at 85c a bag and 70c to 75c a bag in car lots. On the Farmers' Market potatoes are selling at 81 to 81.0 a bag. Montreal prices have declined, and sales last week only realized 56c to 70c a bag in car lots. PRIIIT

The fruit market market has shown a certain weakness during the week, although supplies were extensive. Peaches have declined in price, but apart from this the market remains unaltered. Dealers give the following quotations: Cabers ers give the following quotations: Cabbages, 812.5 a crate; tomatoes, 50 to 52s; Spanish onlous, 83 a case; egg plant. 50c to 50s a basket; water melons. 50c to 56s each; blue berries, 81.25 to 81.29 (11 qts.); penches (6 qtal., 55c to 55; peaches (11 qts.); 50s to 50c; pears (11 qts), 60c to 50c; plums (11 qts), 60c to 50c; prapes (6 qts), 50c to 50c; pears (11 qts), 60c to 50c; prapes; 50c to 50c; pears (12 qts), 60c to 50c; pears (13 qts), 60c to 50c; pears (13 qts), 60c; pears (14 qts), 60c; pears (14 qts), 60c; pears (15 qts), 50c; pears (15 qts), 50c; pears (15 qts), 60c; pears (15 qt to 350; celery, 5c a bunch; rhubarb, 3c bunch; lettuce, 3c a bunch; tomatoes,

#### HODRES

There has not been much variation from last week's prices, and the same quota-tions may rule. Heavy drafters, \$210 to \$235; medium, \$175 to \$220; good agricul-tural horses, \$150 to \$225; expressers, \$150 to \$200; saddle horses, \$150 to \$275; driv-ers, \$130 to \$140.

#### LIVE STOCK.

The chief item noted least week was the decline of prices in heart in other lines the supply was hardly equal to the demand, and prices remained steady at about last week's quotations. The following figures were supplied by local declares: Export cattle, choice, 8 to 8,620, medium, 82,520 to 85.75; crokers, choice, 845 to 85.00 to 85.75; butcher cattle, and the supplied by the following figures were supplied by the following figures were supplied by local declares: Export cattle, choice, 85.00 to 85.75; crokers, choice, 85.00 to 85.75; crokers, choice, 845 to 85.75; medium, 85.00 to 85.75; calves, 83.75 to 84.60; cwee, 81 to 84.95; calves, 83.75 to 88.60; logs, f.o.b., 83.65 to 88.75; fed and watered, 83.90 to 89.95.

#### MONTREAL HOG MARKET.

MONTREAL HOG MARKET.

Montreal, Saturday, Sept. 12s. "The market here this week opened with an easier
feeling on account of the increasede aupreling on account of the increasede aupprice, and sales were made freely of selected lots at from 88.75 to 89.10 a cwt.,
weighed off cars Toward the close of
fromer on the opener, prices were much
framer on however, prices were much
framer on the control of the nrmer owing to the advices from Toronto and other points to the effect that markets were advanced there owing to the big demand from the packers and dealers, and it would not be surprising to see prices higher here next week. There is a good demand for dressed hogs, and fresh killed abattoir stock is quoted at \$12.50 to \$12.75 a cwt.

### EXPORT BUTTER AND CHEESE.

Montreal, Saturday, Sept. 28—The market for cheese has remained firm throughout the week, but is closing with a decidBrealau, Ont. ly easier feeling, and there is every indi-

cation of still lower prices ruling next week, owing to the lack of demand from Great Britain. Most of the buyers at the Great Britain. Most of the buyers at the country markets were quiet this week, the activity being confined to one or two houses only, and the prices paid ranged from 15.14c down to 12.74c, the latter price being paid on Priday at I requuish. There is not sufficient demand to take hold of the offerings at the country points, and stocks are steadily accumulation. It would be a sufficient demand to the country points, and stocks are steadily accumulation. It would be a sufficient when the sufficient works and several sufficient works and several sufficient works. ing in Montreal, and are now away shead of what they were at this time last ye and, unless some relief comes in nature of an increased consumption nature of an increased communition of cheese in Ringland, atooks are bound to increase until they get at least to a point at which they will be heavy enough to break the market and bring cheese down to a lower and safer level or value. The only support the market is receiving now is due to the fact that the cheese offered are September make, and are look-ed upon as obean compared with prices paid for earlier makes. The receipts are showing an increase over last year, and bear out the reports coming from all bear out the reports coming from all productions. production is heavier than it was at this

production is heavier than it was at this time last year.

Butter market continues firm and prices are still further advanced, finest Sastern Townships creamery selling freely at 26c a lb, f. o. b. Montreal. The demand is largely speculative, as dealers are putting aveay large quantities of September-made batter for their winter trade.

### CONCRETE FOR ROADS

CONCRETE FOR ROADS

A portion of the King Edward lighway is to be built of concrete, the contract for its construction having been let on September 11th by Hon. J. E. Claron, Minister of Agriculture and Highways of the Protein and Highways of the Protein and Hongard of the Protein Hongard Contract of the Contract of

It was the original intention that the It was the original intention that the entire highway should be built of mac-adam; but the Honorable Minister, who has under his jurisdiction the Canadian branch of the work, has become interest-ed in concrete roadways and has decided upon this important undertaking as a good place to try it out. Governments and municipalities are gradually coming and municipalities are gradually coming to recognize the necessity of a more per-manent form of roadway construction. That concrete is the material which best fulfills all the requirements of a per-manent roadway is receiving world-wide

# WINNERS IN MOLASSINE MEAL CONTEST

An interesting feature of the Canadian National Exhibition, Toronto, was the presentation of the special extra prizes of \$25 in gold, given to each of the owners of animals winning first prizes. and that had been fed regularly on gen-uine Molassine Meal (made in England) for at least two months prior to the Exhibition

hibition.

The presentations took place on Friday,
September 5th. Mr. L. C. Prime, head of
the firm of L. C. Prime & Company, St.
John, N.B., distributors for Canada for
the Molassine Co., Limited, London, England, came up to Toronto and made the

land, came up to Toronto and made the presentations personally.

The fact that out of is exhibitors contenting is of them won one or more first prizes with Molassine Meal fed animals is strong testimony to the feeding value of geouine Molassine Meal. There is no doubt that had a longer time been given even more first prizes would have been
