this is well-pleasing

OUR MEETINGS.

THE weekly meetings are regularly held, and considering the many disadvantages under which the Committee labors, owing to lack of specially adapted rooms, the work is progressing favorably. We are anxiously awaiting the plans for the renovation of Shaftesbury Hall, so that we may see what provision is to be made for "Our Boys" Branch. With facilities placed at our disposal, we feel

assured that a good work can be done for the Boys of Toronto; and that by caring for them, the future welfare of the Young Men's Christian Association will be advanced.

BOY'S LECTURE COURSE.

ANFORESEEN circumstances prevented us from completing arrangements for a Lecture as announced in the January number. We hope, however, to be able to provide a lecture this month, and will announce it at our Boy's meeting and in our SHAFTESBURY HALL BULLETIN.

HAVE FAITH IN GOD.

ALITTLE fellow not ten years of age was employed by a lady to sweep snow from the doorstep. This lad had a hard life of it, for he supported himself by the labor of his little hands, and braved all weathers. The lady asked him if he did not feel discouraged and afraid to be alone in this world? The sweeper looked at her and said: "Don't you think that God will take care of a feller if he puts his trust in Him and does the best he can."

Lead us not into temptation.
