ful presentation of your goods. To a business house the difference between salesmen and mere "order-takers" or clerks is the difference between success

Boston, July 26.—The Salem banks are beginning to resp some of the benefits which have been pouring into their city since the confingration through a large increase in their deposits.

A large portion of the rising \$10,000,000 first into the rising \$10,000,000 first into the banks been pouring into the banks paid to greatly somers has found its way into the banks pending restriction or reinvestment, with the result that total bank deposits of the city are the highest on record.

The salem Savings Bank offers a good example of the remarkable in crease in bank deposits in that city in the bast month. This bank now has \$10,393,660, of deposits compared with \$10,048,660, immediately proceeding the fire, an aneronaeoe6 \$344,956, or 3 p.c. Since, Oct. 31 the deposits have increased \$520,866, or nearly 6 p.c.

The, Salem Savings, Bank is one of the large stockholders of the Merchants National, Bank, Boston, holding 568 shares as of April 1 last and is also the, owner of, large blocks of other Boston bank stocks including 502 National Bank, of Commerce recently 1, initiated, 223 Second National, 175 Shawmut and 155 First.

Behind Every Successful Concern

Many Accidents Over Week-End due to Fool Hardiness-Inexperience of Swimmers and Paddlers is Largely Responsible

There was a time when the canoe was considered a craft only suited to the red skin and the trapper who know from long experience how to navigate in all kinds of weather. Now, however, there scems to be he jack of confidence of their lives in the city. No soon the water, than they hire a canoe it joes not matter what the weather is or what it is like what the weather is or what it is like what the weather is or what it is like what the weather is or what it is like what the weather is or what it is like what the weather is or what it is like what the weather is or what it is like what the weather is or what it is like what the weather is or what it is like what the excursion a little more onlyoung lady, or little child, who probably does not know how to swim. They, have centirely outgrown the idea that the canoe is only a craft for an expert in pough weather; they are all experts in their own opinion, until the canoe upsets and they find themselves in the water forced to perform a rescue act when they are not hardy apable of saving themselves.

The sream of the dived into the harbon and red was W. N. Allen, at member of the Toronto, Hamilton, and member of the Toronto, Hamilton

cidents over each week-end are due to inexperience; there are, of course, ex-zeptions to this and experienced pad-illers and swhimers sometime drown, but accidents seldom happen to the dif-ferent, members of coating and canoe, while, who know that it takes time and practice to learn to each the members. and practice to learn to paddle. These accidents generally happen to the city south who hires a canoe for the city when he knows little or nothing about the weather conditions.

weather conditions.

It would seem impossible to instruct this class of people in lessons of caution; they will generally only learn their tlesson in one way and then it is often too late. What, however, could be done is fo deal out a severa punishment to those who rent canoes to inexperienced persons, and persons whom they can tell before many minutes, know nothing about how to paddle.

die.

In every place where canoes and other light craft are rented, wurning notices should be put up telling where the dangerous places are and also warning people to come in near shore, when there are

men, harmes and addresses unknown, were drowned of Cherbaug Beach-here this affection when the thick speaks causing fire which spread to

Brantford, July 19 Alonzo Bell Jones, 35 years of age, a foremen at the Massey-Harris works in this city, was drowned at Oakland Lake a fishing resort near here yesterday on being seized with an attack of I trouble, he fell into the water fro log from which he was fishing.

QUESEC: Shawbridge, July 19.—L. Byers Clary, Shawbridge, July 19.—L. Byers Clary, twenty-two years old, an employe of the Canadian Vickers Company here, was drowned before the eyes of two sisters and his other courades at a little pienic party while swimming it bake des Seigneurs, near Shawbridge, shortly before noon. His body was receivered after some time by Dr. Nichol, of St. Cesaire. The fatality, the doctor hald, was due to cramp.

Lachine, July 19.- Wilfrid Picard, of Lachine, July 19. Wirrid Ficard, of Lachine, and two, companions, Godfrey Chenier, 14 years old, and Adolphe Diverse, 14 years old, and Adolphe Diverse, 16 years old, on Saturday found an old canne which had neen blown on the booms across the old central canal, and the caft capsized with them. Chenier, who was the only one who could

RECENT FIRES. Ottawa, July 19.—Damage to the ex tent of \$25,000 was caused by an ex plosion and fire in the Hull plant of th Canada Cement Company this after

The explosion occurred in the coal sheds, causing fire which spread to the drier room and then to the grinders. Valuable machinery was destroyed. About 300 men will be thrown out of work for two months.

Dean Skelton, of Dublin, is at the Queen's.

Wr. H. V. Mackenzie, of St. John, N.B., is at the Ritz.

St. Lambert, July 20.—Damage to the extent of about \$15,000 was done at an early hour this morning by a fire which destroyed a large barn on the Slocum Farm in Laprairie County, about a mile and a half south of St. Lambert. The farm is the property of Mr. Fred. Stephens, a nephew of Major Stephens, of Montreal, and is lenanted by a man named Dykes.

Mr. James pousa.

Mr. W. G. Ross, who has been spending a few days in Sherbrooke, is now at Thetford Mines, Que.

Mr. J. Augustine Mann has opende their summer home at Thomson's Point, Voltaire.

Montreal, July 29.—Fire broke out in the lumber yard of J. H. Redfern, at a twater and St. Patrick streets, yes terday morning at 8.15 o'clock. Before the outbreak had made headway through the piles of lumber, which cover a great area, the firemen were on the scene, and extinguished it. Mr. Redfern estimated his loss to be about \$1,000. The probable cause is regarded as sparks from a steamboat passing through the Lachine Canal.

the dangerous places are and also warning people to come in near shore, when there are any signs of a squal, while certain lessons of warning should also be put up in every public swimaning place which everyone could read and learn.

The following is only a partial list of those who were drowned in Ontario and Quebec over this last week-end.
