## NO CURE, NO PAY!

I want to talk to men who have pains and aches, who feel run down physically, who realize that the old "fire" and energy which were so evident in youth are absent now; men who can't stand the amount of exertion they could years ago. I want you—if that means you—to come to me, and if I say that I can cure you I don't ask you to pay me until I DO so. That is fair, surely. You take no chances, as I know what I can do, and I'll run the risk.

If it were not for the prejudice due to the great number of fakes in the land I would not be able to handle the business that would come to me. The "Free Be t" fraud and the "Free Drug" scheme, which are not free at all, have made every one skeptical, but I know that I have a good thing, and I'll hammer away until you know it.

Nature is appealing to you every moment to save yourself. The slight pains that you feel, the momentary spells of weakness, the periodical loss of memory, dullness of brain, drowsiness—all point to the necessity of curing yourself now. I have a positive cure for you in my
