Mercantile Summary.

H. E. PARRISH & Co., coal dealers, Toronto,
are in difficulty. They owe some \$6,000, and
their assets are very slender.

The Galt Customs' figures for July show
\$27,542 worth of goods imported, and duty, \$2,-
635. Foreign exports were of the value of
\$5,036.

The Quebec worsted factory was sold last
week to Messrs. A. Paton and R. Heneker, of
Sherbrooke, representing the Paton Manufac-
turing Company.

The Sherbrooke Gazette says that the Edi-
son Light Company are repairing the old
Jenckes Foundry, and converting it into an
additional workshop for the manufacture of
their electric apparatus.

J. E. CONSTANTIN & FRERE, a firm of gen-
eral dealers who only began business last year,
are already in trouble. They have made an
offer of 50 cents on the dollar, spread over
twelve months, but it has not met with the
approval of creditors, and an assignment is
probable. They owe about \$4,000.

COLLETTE, DECARY & Co., a Montreal firm
jobbing in men's furnishings, &c., whose
affairs have been in a state of suspense for the
last couple of months, have finally assigned.
They show liabilities of \$23,458, largely due to
two banks; assets apparent \$18,350.

An increase of revenue for July over the
same month of 1888, is shown by the Mont-
real Harbor Commissioners. It is \$42,485 for
the month, as compared with \$32,408. The
aggregate for the navigable season thus far is
\$102,689, against \$87,094, an increase of nearly
18 per cent. The number of steamships arriv-
ing is this year to date 255, of 376,000 tons;
sailing ships 76, of 28,449 tons. The total is
75,000 tons ahead of last year. Arrivals
of inland vessels are greater than for four years.
