are the juices of apples, oranges, figs and prunes—purified, evaporated, and compressed into tablets. They never fail to cure all Stomach, Liver and Kidney Troubles. At druggists, 50 cents a box.

followed. The snakes, though they fought well, were all killed.

"The rattle is also said to charm or hypnotize birds, so that the snake can seize them easily, but in this story I have not much faith. It's as a call that the rattle is used mostly—a love call, generally, with which the snake summons its mate.

"The worst place for rattlers, they say, is Ten Mile Point, out in Montana. It is called by the farmers Rattlesnake Point, on account of the large number of rattles that thrive in that vicinity. A noted snake catcher was engaged to clear the place of reptiles, but without success. Finally a little farmer's wife came to the rescue. She secured a number of common circular mouse traps, which she baited and set around in various places. Then she retired. The next morning every trap was filled. Sixteen rattlers had been attracted by the bait and had been choked to death. She expects to rid the Point of snakes.

—Happiness consists in the enjoyment of little pleasures scattered along the common path of life, which, in the eager search for some great and exciting joy, we are apt to overlook.—Samuel Smiles.

—The temper of the mind in which we meet the hundred and one tiny circumstances of every hour determines our happiness or unhappiness far more than does the detail of what those circumstances are. We cannot choose the circumstances, but we can choose the temper.—Lucy H. M. Soulsby.

Don't let the children get the Calomel and "Liver pill" habit. Give them the natural laxative that is gentle and effective, pleasant to take, never gripes, and CURES constipation—

REV. H. O. TREMAYNE, Lambton Mills.

THE CANADIAN NORTH-WEST

HOMESTEAD

REGULATIONS.

Any even numbered section of Dominion Lands in Manitoba or the North-West Territories, excepting 8 and 26, which has not been homesteaded, or reserved to provide wood lots for settlers, or for other purposes, may be homesteaded upon by any person who is the sole head of a family, or any male over 18 years of age, to the extent of one quarter section, of 160 acres, more or less.

ENTRY.

Entry may be made personally at the local land office for the district in which the land to be taken is situate, or if the homesteader desires, he may, on application to the Minister of the Interior, Ottawa, the Commissioner of Immigration, Winnipeg, or the local agent for the district in which the land is situate, receive authority for some one to make entry for him. A fee of \$10.00 is charged for a homestead entry.

HOMESTEAD DUTIES.

A settler who has been granted an entry for a homestead is required by the provisions of the Dominion Lands Act and the amendments thereto to perform the conditions connected therewith, under one of the following plans:—

(1) At least six months' residence upon and cultivation of the land in each year during the term of three years.

(2) If the father (or mother, if the father is deceased) of any person who is eligible to make a homestead entry under the provisions of this Act, resides upon a farm in the vicinity of the land entered for by such person as a homestead, the requirements of this Act as to residence prior to obtaining patent may be satisfied by such person—residing with the father or mother.

(3) If a settler was entitled to and has obtained entry for a second homestead, the requirements of this Act as to residence prior to obtaining patent may be satisfied by residence upon the first homestead, if the second homestead is in the vicinity of the first homestead.

(4) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements of this Act as to residence may be satisfied by residence upon the said land.

The term "vicinity" used above is meant to indicate the same town, township or an adjoining or cornering township.

A settler who avails himself of the provisions of Clauses (2), (3) or (4) must cultivate 30 acres of his homestead, or substitute 20 head of stock, with buildings for their accommodation, and have besides 80 acres substantially fenced.

The privilege of a second entry is restricted by law to those settlers only who completed the duties upon their first homesteads to entitle them to patent on or before the 2nd June, 1889.

Every homesteader who fails to comply with the requirements of the homestead law is liable to have his entry cancelled, and the land may be again thrown open for entry.

APPLICATION FOR PATENT

Should be made at the end of three years, before the Local Agent, Sub-Agent, or the Homestead Inspector. Before making application for patent, the settler must give six months' notice in writing to the Commissioner of Dominion Lands, at Ottawa, of his intention to do so.

INFORMATION.

Newly arrived immigrants will receive at the Immigration Office in Winnipeg or at any Dominion Lands Office in Manitoba or the North-West Territories, information as to the lands that are open for entry, and from the officers in charge, free of expense, advice and assistance in securing land to suit them. Full information respecting the land, timber, coal and mineral laws, as well as respecting Dominion Lands in the Railway Belt in British Columbia, may be obtained upon application to the Secretary of the Department of the Interior, Ottawa, the Commissioner of Immigration, Winnipeg, Manitoba, or to any of the Dominion Land Agents in Manitoba or the North-West Territories.

JAMES A. SMART,

Deputy Minister of the Interior.

N.B.—In addition to Free Grant Lands to which the regulations above stated refer, thousands of acres of most desirable lands are available for lease or purchase from railroad and other corporations and private firms in Western Canada.
