Briton Medical and General Life Association,

with which is united the

BRITANNIA LIFE ASSURANCE COMPANY.

Capital and Invested Funds.....£750,000 Sterling.

ANNUAL INCOME, £220,000 STG.:

Yearly increasing at the rate of £25,000 Sterling.

THE important and peculiar feature originally introduced by this Company, in applying the periodical Bonuses, so as to make Policies payable during life, without any higher rate of premiums being charged, has caused the success of the BRITON MEDICAL AND GENERAL to be almost unparalleled in the history of Life Assurance. Life Policies on the Profit Scale become payable during the lifetime of the Assured, thus rendering a Policy of Assurance a means of subsistence in old age, as well as a protection for a family, and a more valuable security to creditors in the event of early death; and effectually meeting the often urged objection, that persons do not themselves reap the benefit of their own prudence and forethought.

No extra charge made to members of Volunteer Corps for services within the British Provinces.
