

“The Day” “The War Is Won”

THE GUNS ARE SILENT—the trenches are vacant—bloodshed has ceased—democracy is triumphant—freedom is assured.

Germany, the beaten, whimpering bully of the nations, lies stripped of power, whining for mercy, shudderingly awaiting the righteous retribution to be exacted for his fiendish crimes against an outraged civilization.

A war-worn world is nursing its wounds and planning for a future of peace and universal freedom.

In this day of thankful joy and glorious triumph let us not forget the imperative duty lying immediately before us.

Let us manfully, dutifully and determinedly round out the nation's splendid effort.

Let us be as big in this triumphant day as our men have been heroic in the fiery din and bloody peril of battle.

Issued by Canada's Victory Loan Committee, in co-operation with the Minister of Finance of the Dominion of Canada.
