Mucic and Drama

THE BRANT.
D. W. Griffith's great war picture,
"The Great Love," was seen by an
enthusiastic audience at the Brant
Theatre last night. The picture has
been produced by an all-star cast,
and bears the stamp of quality which
is unmistakable on every Griffith
production. The theatre was special-
ly decorated in honor of the signing
of peace. Other attractions upon
the holiday program include Douglas
Fairbanks in a specially produced
Victory Loan picture, "The Maple
Leaf Forever," and other splendid
pictures.

THE REX.
Sessue Hayakawa, the noted Japa-
nese star, is seen at the Rex the-
atre this week in his first pro-
duction by his own company, "The
Birthright." Last night was "Vic-
tory Night" at the Rex, and the
spirit of jubilation was rife both on
the stage and in the audience. Wil-
liam Farnum is seen in a special
Victory Loan picture. A pleasing
vaudeville program was also pre-
sented.

ESCAPE IN
SCANTY ATTIRE

Early Morning Fire at the
Residence of Mr. W. T.
Henderson

City Solicitor Henderson, Mrs.
Henderson and their guest, Mrs.
Shiner, have narrowly escaped from
suffocation at their residence on
Brant avenue this morning.
A defective wire is supposed to
have started a fire in the parlor and
when Mrs. Henderson awoke, the
fumes of smoke were so dense that
it was with difficulty that she and
her husband made their egress. Mrs.
Shiner also had to make a hasty
exit.

The firemen were at work quite
a while before the flames were sub-
dued as they had got in between the
walls. The parlor contents were
badly damaged, but the amount of
the loss has not yet been estimated.
Broke Out Again
Fire again broke out this after-
noon in the residence of Mr. W. T.
Henderson, Brant Ave., shortly be-
fore two o'clock. The blaze was
caused by a short circuit of wires
from which the insulation had been
burned off in the previous fire. The
firemen extinguished the blaze with
chemicals, of which they found it
necessary to send for a larger sup-
ply when those on the truck be-
came discharged.

HELEN MARTIN.
The death occurred Sunday morn-
ing of Helen Martin, the five year
old daughter of Mr. and Mrs. John
Martin of Oakville, who died at her
home in Brantford, Ontario.

R. N. PHAIR.
Word was received in the city Sun-
day of the death in Los Angeles,
California, from influenza, of Robt'r
Nelson Phair, grandson of the late
Robert Phair of this city, and eldest
son of the late Thomas H. Phair, of
the Gutter Patch Rubber Company.
He was born in Brantford, where he
spent his early years. He is survived
by a young widow and two children,
also his mother, Jennie Franklin
Phair, and two brothers, Gordon and
Clayton, all of Los Angeles.

M. MULLIN.

(Stratford Herald.)
Death on Saturday removed a
well known figure from Stratford's
streets in the person of Michael Mul-
lin. The late Mr. Mullin for the
last ten years has been engaged in
the street traffic of light articles.
He was born in Tipperary, Ire-
land, 75 years ago and came to this
country many years ago. The funeral
will be held to-morrow morning, serv-
ice at St. Joseph's Church at 9.30.
Besides his wife he is survived by
three daughters, Mrs. Haines and
Katharine, of Detroit; Mrs. Rhine-
hart, of Kitchener; five sons, Den-
nis, Owen, Sound, Frank, St. Pauls;
Walter, Peaslee, N.Y.; Edward, De-
troit; John, of Brantford, and one
sister, Mrs. Andrew, Seaford.

S. J. SCHELLY.
The funeral of the late Mr. S. J.
Schelly took place this morning at
9.30 from his residence, St. George
road, to St. Basil's Church, where
high mass was sung. From there
the remains were taken to St.
Joseph's cemetery, the pall bearers
being Messrs. James Brierley, Andrew
Danahy, George Getz, Frank Bir-
kett, Otto Kaustedt and J. Hallor-
an. There were many Mass Cards
sent by friends of the deceased, who
was immensely popular with all who
knew him. The floral offerings were
also beautiful.

Mr. Schelly came to Brantford
from Waterloo, Ont., at the age of
17 years, starting with the late Mr.
G. W. Erolman at the butcher busi-
ness. Later he went into business
for himself on Brant Avenue.
In 1894 he married Catherine
Ryder of Haldimand County, who sur-
vives, together with three sons, who
are, Cyril, advertising manager with
the Petrie Manufacturing Co. Ltd.,
Hamilton; Edward, with the over-
seas forces since the spring of 1915,
and Frank at home. Mr. Schelly was
55 years old when his health began to
fail and in 1909 he started garden-
ing in the hope that outside work
would improve his health. The
trouble increased, however, and for
the past six years he has been a great
sufferer, unable to do any work.
Death occurred on Saturday evening.
To the surviving members of the
family the sympathy of a host of
friends is being extended.

J. H. BURNS.
The death occurred yesterday of a
well known resident of this locality
in the person of Mr. James Harley
Burns. The deceased resided in
Echo Place and had been ill for some
weeks from Spanish influenza. Some
three weeks ago his brother suc-
ceeded in convincing him to leave his
leaves to mourn his loss, besides his
wife, a son and daughter, his mother
and two sisters. The deceased was a
Presbyterian and his funeral will
take place to-morrow when the ser-
vices will be conducted by the Rev.
G. A. Woodside.

Subscribers
Got the Benefit

OUR annual report for 1917 shows
that we have issued capital stock
to the amount of \$18,000,000, and
bonds \$11,149,000 or \$29,149,000 in all.
The value of our plant and equipment
in use at the end of last year, in round
figures, was \$42,670,000, an excess of thir-
teen millions over our capital and bond
liability.

How was this excess plant acquired?
By careful administration over a long
period, our surplus earnings derived from
the economical operation of our plant and
from premiums on sale of stock and bonds,
as well as from profitable investments,
have been turned back into the business
for the purchase of new equipment.

This means that on this thirteen odd
millions no dividends have been paid; our
subscribers, not our shareholders, have
benefited by it.

Rates have been low by reason of our
small capital and bond liability. Neither
stock nor cash bonuses have been paid our
stockholders.

Net earnings for 1917 were only 5.5
per cent. of our assets. At the increased
cost of operation and maintenance our
earnings cannot provide an adequate re-
turn on the investment.

This situation we wish to meet by the
application of a fair schedule of rates.
