#### SCOTCH PICNIC

The Big Doings at the Rond Eau An nual Celebration-Bonnie Belle Wins Yacht Race.

The Scotch picnic, given at the Eau yesterday by the Sons of Scotland, of Blenheim, was a grand success. Large crowds were present. A pipers band and the Blenheim brass band rendered music during the day, while the 24th Regiment band gave their regular concert in the evening. Everything passed off in grand style, and not a single drunk was seen ity. The police are keeping a sharp during the whole day. The occasion seemed to be more of the character of a young people's picnic than of a Scotch celebration. Detective Skirving and Constable McGregor were on the grounds to preserve the peace.

The feature of the day was the yacht race between the Bonnie Belle, the Eric B., the Louise and the Banshee. The Bonnie. Belle, sailed by Bert Jones and W. R. Phillmore, se-cured the first prize; the Eric B., sailed by Mr. Bounsall, of Blenheim, secured second, and the Louise, sailsecured second, and the Louise, sailed by T. Rutley, W. Rutley and W. Brackin came in third. The Banshee fouled at the first buoy, and dropped out of the race. She was sailed by N. Harper and K. Holmes. The judges were Capt. Post, G. M. Baird and C. L. VonGunten.

The Signs of Weak Eyes

Tired eyes, overworked eyes, are unmistakeable. You are constantly reminded that everything isn't as it should be,

Your head aches, your eyes burn and there is a dull pain behind them. Reading and sewing are decidedly unpleasant, and any work that calls for unusual eye strain you would sooner pass by.

We have all the instruments, a large experience, and guarantee to fit your sight, your features, and we charge for nothing but the Glasses.

# CHARLIE RYALL

Chamberlain Cables Canadian Government that the Young Chathamite fell in Action.

he Extent of His Injuries not yet K ow -Fight Occurred on Aug. 11.

Ottawa, August, 21 .- The Militia Department is in receipt of a cablegram through Mr. Chamberlain, Secretary of State for the Colonies, dated Aug. 17th to the following effect:-

"Please inform Sophia, James, Postoffice, Sidney, Manitoba, that E2078, Arthur Lindsay (James), reported killed : and Mrs. Ryall, Leamington, Ont., that E2102, Charles William (Ryall) was slightly wounded, both at Bessie's Pan, 11th August.

"Both Canadians are attached to Gen. Baden-Powell's constabulary."

(Special to The Planet.) Ottawa, Aug. 21.-No details have yet been received as to the character of Ryall's wounds. He fell in action. Further details will follow.

The action to which reference is made is probably the following, which is reproduced from The Planet of Aug.

Pretoria, Aug. 12.-Acting upon formation given by a surrendered Boer, Captain Valentine and 50 constabulary yesterday made a foraging expedition and captured a herd of cattle. When the force was turning to camp a party of Boers mbushed them and killed four, vounded two and captured four of the police. The remainder escaped

their purses," replied that official.

"One of the policemen," continued sidewalk the other day and brought it to the police station. I advertised for the owner last week and since that time I have had no less than nine visitors, especially women, to lay a story of losing purses, giving minute descriptions of each, None of them, however, with one exception, of which I am not yet sure, were the rightful owners of the money found. Since I have had so many applicants I have been wondering if Chatham has been seized with an epidemic for purse losing, or if this state of affairs is going on all the time. The stories told by the different applicants were undoubtedly true and it seems an unquestionable fact that in each case the money has been lost. If this is so and these occurrences happen so frequently, as they to all appearances do, there must be a lot of dishonest people in Chatham. If purses are being continually lost, some of them must surely be found by persons who have not right to them. The amounts of money lost by the people who have applied to me vary from \$3 to \$11."

Bandmaster H. C. Philp, of the 24th Regiment Rand, received the following letter from Walter F. Saunders, secretary of the Trenton Band, re the Band Reunion, which it was the inten-tion of the Regimental Band to attend to-day. The impression here, however, was that all expenses in-cluding transportation would be paid. This, however, is not the case, as will be seen in the letter. The Band, therefore, decided that they would not

If there had been more bands coming from the Domin-ion we could have arranged for a special price as to fare. All the bands on this side understand this part of it. All we do is to arrange for special rates for them, and advise. Your special rate will be 35c. from Detroit, round trip, via trolley, or 40q. via L. N., or Detroit Southern.

Our expenses are about ing them, etc., but we want your band, and not withstanding the exsense we are at, and rather than have our Canadian cousins feel that we have not explained the situation fully enough; but rather have taken too much for granted, I recite the above, and anxiously await.
