A FARMER'S TRIALS.

SULT OF A FALL.

A SUFFERER FOR YEARS, THE RE-

In His Weakened Condition La Grippe Fastened Itself Upon Him, And Brought Him Near The Grave.

Mr. William Silver is a well-known Mr. William Silver is a well-known farmer living near Hemford, N. S. During his life he has persed through much sickness, but now, thanks to Dr. Williams' Pink Pills, he is again enjoying vigorous health. To a reporter who recently interviewed him Mr. Silver said:-"I am now in my 62nd year, and I may date the be-ginning of my trouble to my six-teenth year when I was thrown from a horse's back and had my spine somewhat injured. This was always a week spot and it seemed to leave me more susceptible to other troubles, as it grew worse as I advanced in years. As a farmer I always had to work hard, and often to expose myself to inclement weather My back trouble was finally aggravated by indigestion, and as this af-fected my appetite, I was very much run down. Finally a few years ago I was attacked with la grippe, which developed into pneumonia. My famthis trouble, but for six months was not able to leave the house, an alf that he could do for me did not bring back my strength. Finally consulted another doctor, but will no better result. In fact before I stopped doctoring I had tried four

different physicians and all the time instead of getting better I was growing weaker. Some eighteen months had now elapsed since my attack of la grippe, and during that time I was not able to do any work. My whole system seemed exhausted, and my nerves shattered. On fine days I would go out for a while, but often I would become so weak and dizzy that I could scarcely get back to the house. One day a neighbor asked me why I did not try Dr. iWlliams' Pink Pills. I thought the advice might be worth taking and I sent for a half dozen boxes of the pills. Before they were gone there was no doubt I had found a medicine that was I had found a medicine that was helping me, and I got a further sup-

ply. I continued taking the pills for about three months, and before I quit using them I was feeling better and stronger than I had done for a property of the weakyears. Every symptom of the weak-ness that had followed la grippe was gone, and my back which had both-ered me for so many years was almost as strong as in boyhood. I have since done many a hard day's work, and been exposed to bad weather, but without any evil effects, and I can truly say Dr. Williams' Pink Pills) have restored me to vigor-ous manhood."

Dr. Williams' Pink Pills cure such cases as the one noted above because they create new, rich, red blood, thus strengthening weak and shattered nerves. They do not purge and weaknerves. They do not purge and weak-en like other medicines, but strengthen from the first dose to the last. Sold by all dealers in medicine or sent post paid at 50 cents a box or six boxes for \$2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Out

Golden Text-"While He blessed hem He was parted from them and carried up into heaven.

Note three points-1. The risen Christ. 2. The descending Spirit. 3. The coming King and Kingdom. For the 40 days He had conversed about the kingdom of God. Ere the king-dom would be restored to Israel, the Holy Spirit was to be given and the church (the bride of Christ) gathered from all nations. Three years and 40 days with Jesus in the flesh was not sufficient qualification, unless they were spirit filled they were useless as witnesses either in Jerusalem or elsewhere.
