DR. S. GOLDBERG, The Possessor of 14 Diplomas and Certificates Who Wants No Money That He Does Not Earn.

both the method and the ability to do so as he says Dr. Goldberg, the discoverer, will send the method entirely free to a man who sends him their name and address. He wants to hear from men who cured, prostatic trouble, sexual weakness, varicocele, testicular trouble, blood poisoning, hydrocele, inflammation of the bladder, etc. His wonderful method not only cures the condition itself, but the wise all the complications, such as rheumatism, bladder or kidney trouble, heart disease, nervous debility, etc.

The doctor realizes that it is one thing to make a cure and another thing to back-up on it, so he has made it a rule not to ask for money unless he cures you and when you are cured he feels sure that you will willingly pay him a small fee. It is of course, therefore, that it is the best interest of every man who suffers in this way to write the doctor confidentially and let your case be before him. He sends the method, as well as many books on the subject, including the one that contains the 14 diplomas and certificates, entirely free. Address: Dr. S. Goldberg, 23 Woodward Ave., Room 3, Detroit, Mich., and it will be sent immediately by post free.

DOG TOLD POLICE OF HIS MASTER'S DEATH

Whining pitifully and looking with appealing eyes at the desk attendant, a mongrel dog entered the police station at Morristown, N. J., and informed the police his master was dead in an old hut in the woods on the grounds of the St. Elizabeth convent. It was several hours before the canine messenger of death could find anybody who could understand dog talk, but when finally he did he seemed delighted, and led the police to the deathbed of his master. On a miserable pallet in the hut they found Jas. McCoy, a tramp, who had died from alcoholism and exposure. It is fourth to surrender life in the wretched shanty.

Immediately after they entered the dog crouched by the side of his dead master and resumed his whining. When a wagon came to take the body to an undertaking establishment the dog followed the wagon and when the undertaking place was reached the police took the dumb but intelligent messenger of death to the police station. At Morristown, a city where unmuzzled dogs are shot on sight, it is probable that before tomorrow ends the dog will have joined his master in death.

By an uncanny chain of circumstances McCoy was the last of a quartette of wanderers to die in a particular hut since Dec. 8. All died from alcoholism and cold. On that day John Burns reported to the police that Joseph Cloy had been frozen to death. On Jan. 19, Dennis McFee, another tramp, reported that Burns had died there from the cold, and on Feb. 7, McCoy reported to the police he had found McFee there frozen stiff.

"I think I'll live there," said McCoy to the police after they had removed the body of McFee from the hut. "When I die I'll send my dog down to the station to let you know." The police laughed at what they regarded as the heartless joke of a tramp, and when the dog arrived at the police station neither the cur nor the circumstances of last month were recalled. For hours the dog hung around the station whining for assistance. It became so insistent it was kicked out several times, but persisted in returning.

SOLD INTO SLAVERY
Emotionally sold in slavery by a disappointed lover who brought her to this country under a promise of marriage, a pretty Russian girl, whose only known name is Jose, is now working in an Eveleth, Minn., home for a married woman, in an effort to earn money enough to purchase her freedom. Max Zalk, president of the Duluth Iron & Metal Co., with whose family she took refuge for a short time, has called the attention of the authorities to the case and steps will be taken to free her from her illegal bondage.

The girl landed in Duluth six weeks ago, on a ticket which was purchased by a man whom she expected to marry here. He and she preceded her to this country by one year and spurned her when she arrived. Accustomed to the dress of the people of the United States, the young woman in her tawdry finery and told her that she must earn the money, \$65, to repay him for his outlay.

Threats accompanied this announcement and the girl fled in terror. She reached the home of Mr. Zalk in Duluth, where she was taken in, but her lover located her and took her with him to Eveleth. He secured employment for her at \$8 a month and informed her that unless she worked and earned the money to repay him he would have her imprisoned for the debt. She is now seeking to discharge this obligation and is in mortal dread lest some new condition may be imposed, after she has repaid the money.

WHY?
In summer, when the trees have taken on their brightest tints of green, and joyous birds from out their leafy screen pour forth their happy songs upon the breeze.

We sigh, "it could last; But leafless, how will catch the falling snow. The summer birds another home will know, And all our joys and happiness be past!"

The winter time is here, And gaiety and mirth are at their height. We murmur sadly, "Joy will take its flight, And leave dull care when summer draweth near!"

Why let our thoughts outrun The hour, and borrow sorrows from the years? Why drown our smiles to-day in useless tears? O'er griefs and troubles that may never come! Why not be glad to-day? Be glad and gather sunshine that, when night Shall come upon us by its treasured light, We may safely walk the darkened way!"

—Ora Sheffield.

Mr. Percy W. W. Fairman, who came here from England about a year ago, will leave Blenheim shortly. Mr. Fairman has secured a cashiership with a large New York firm and will leave for that city a week from next Saturday. Mr. Fairman has many friends here during his short residence in this vicinity, who will regret to learn of his intended departure. He has conducted the services in Trinity Church since the removal of Rev. D. W. Oolman, at the first of the year. The Tribune, along with Mr. Fairman's many friends here, wishes him every success in New York.—Blenheim Tribune.

A Quart Baby.

Now and again there is an item in the newspapers concerning the birth of a puny baby so small that a quart cup holds it comfortably. If the article told the facts it would probably tell also of a mother who in weakness and misery had looked forward to the baby's advent with shrinking and fear.

To have fine, healthy children the mother must be healthy, and it is the common testimony of mothers that the use of Dr. Pierce's Favorite Prescription not only promotes the mother's health but also gives her strength to give to her child.

"Favorite Prescription" accomplishes these results by tranquilizing the nerves, promoting a healthy appetite, and giving refreshing sleep. It increases physical vigor and gives great muscular elasticity, so that the baby's advent is practically painless. It is the best of tonics for nursing mothers.

"I gladly recommend Dr. Pierce's Favorite Prescription," writes Mrs. J. W. Stephens of Miss Northumberland County. "Before my third little boy was born I took six bottles. He is the finest child and has been from birth. I suffered very much less than I ever did before. I unhesitatingly advise expectant mothers to use the Favorite Prescription."

The dealer who offers a substitute for "Favorite Prescription" does so to gain the little more profit paid on the sale of less meritorious medicines. Dr. Pierce's Common Sense Medical Adviser, containing 1000 pages, is sent free on receipt of stamps to pay expense of customs and mailing only. Send so one-cent stamps for the cloth-bound volume, or only 31 stamps for the book in paper covers. Address Dr. R. V. Pierce, Buffalo, N. Y.

How Iron-ox Tablets Cured a Well-Known Guelph Man of Catarrh of the Stomach.
The Guelph Waterproof Clothing Co., Guelph, Ont.
December 12, 1902.
Through your Iron-ox Tablets I have received a great blessing. For years I was troubled with my stomach. I doctored with several good doctors and they told me I had dyspepsia, but I was sure it was not that which ailed me. At last I found out it was catarrh of the stomach, and they told me I could not be cured. It got so bad at last that my stomach had ulcers, and I suffered something awful. Being a commercial traveler I received a box of your Iron-ox Tablets free last winter. I took them right along and I noticed, when away from home and staying at hotels, eating different food, it did not hurt me as it always did before; so when that box was empty I bought two more, and have since had two more, and I must say my stomach is fully restored to its old-time work. I never leave home without a box of Iron-ox Tablets with me, as I believe them to be the best thing for the stomach ever made. I have recommended them to a very great number of people. As I travel from one end of the country to the other I am well known. I am a member of the above firm and do the traveling for them, and everyone that knows how I suffered with my stomach knows the difference now. I would have written sooner, but waited to make sure it was lasting, and I feel sure it is. I must say it is the best remedy I have ever used, and I would not be without it. Hoping your Iron-ox may cure many as it has me, I am yours sincerely,
W. F. PAYNE.

MITCHELL'S BAY.
Wm. Campbell, while returning home, was run into by Oliver (Louise, of Dover, who was running his team on the Winter line, striking Mr. Campbell's horse on the shoulder cutting a deep gash nearly a foot in length and about two inches deep. The cutter and harness were broken and none butter, Mr. Campbell was thrown out against the fence. He got off with a good shaking up.

Married—On Wednesday, March 2, at 5 p. m., by the Rev. Mr. Higley, of St. Stephen's church, at the residence of the bride's father, Miss Clara Steen, of Dover, to John Courtney, of Cleveland, O. None but most intimate friends were present. The bride was most beautifully costumed, the best that could be bought in the city, and we are pleased to say no better looking bride ever left our fair country. After a grand supper the newly married couple left for Cleveland where they will reside in the future. The presents were mostly in cash.

Mr. Copeland, of Blenheim, organized for the Canadian Order of Foresters, spent last week at the Bay, assisting Court Royal, Dover, in adding a number of members to their court. Too much cannot be said in behalf of Mr. Copeland as a most efficient officer of the Canadian Foresters. Eight new members were added to their court. The court gave a banquet after the initiation and all were invited to partake of the good things provided by the court and their friends, after which there was a good program. The recitations by Miss Hickin of Chatham, were well appreciated by the audience and she was called to the platform a number of times. Rev. Mr. Nealy was the next speaker, and he kept the audience in good humor for some time. Mr. Quincy, of Wallaceburg gave the audience an excellent song, assisted at the organ by Miss Buxton, of Wallaceburg. Mr. McLaren gave a number of selections on his phonograph. At the conclusion Mr. Copeland addressed the audience in behalf of the Foresters.

SOUTH BUXTON.
We are having mud by the ton, and the frost will soon be gone with this present pleasant weather. Streams are still over flowing their banks, with the usual amount of water in the cellars.

Some of the Raleigh plains people have been compelled to move out owing to the high water. Miss McLaure was attacked by a gripe on Friday last and there is school this week in consequence. Mrs. Joe Hollister is able to be around again after a hard wrestle with the gripe. Jas. and William Hancock and Dick Pepper expect to leave for Calgary about the 15th of this month. John Cairns left this morning to visit friends in the east. What is thought to be in a fair condition all things considered. Jas. Ross, of Tilbury, was here buying fat stock to-day. He purchased about 200 lbs. of fat from Wm. Pratt. He ships them tomorrow from Merin, bound for the old country. Farmers are getting their tools ready for spring work. We wonder what brand the Blenheim correspondent was using when he shot the first robin. We saw two robins here ten days ago.

SOUTH DAWN.
Mr. and Mrs. D. M. Healey visited Mr. and Mrs. E. Mills, Florence, last week. Miss Emily, and Miss Drew, of Florence, called on Mrs. D. M. Healey last week. Mr. Wm. Leeson, one of our prosperous farmers, is having a fine winter's work in timber this winter. "Bohwell" buyer sold his hogs to a Bothwell buyer last week. Mr. and Mrs. John Webster, the general post master of Florence, passed through Sunday en route for Creston.

Mr. and Mrs. Dawson Brooks, of Thamsville, visited friends on the 12th concession. Mr. and Mrs. F. J. Hanks visited J. B. Leak's Chatham, Saturday and Sunday last. Mr. and Mrs. E. Brooks Chatham, visited friends on the 12th concession Sunday. Mr. F. Childs purchased a fine coat from A. Wilcox, 12th concession, Camden. T. Paddle had his hay pressed last week. Charlie Childs, 12th concession, has a dandy pair of drivers—bright bay. Bilton Leeson is moving to the 11th concession; the 12th concession possesses some up-to-date farms with grand buildings. Jess Bloom visited Chatham last week.

TURNERVILLE.
Mr. and Mrs. Thomas Peters and family left for their new home near Thamsville last week. Mrs. Thomas Buckingham, who has been very sick, we are glad to report, is much better. Martin Robinson is moving to Harwich Centre. Mrs. J. D. Moir, who has been laid up with a gripe, is able to be out again. Mrs. E. Palling, of this neighborhood is moving to the township of Dawn. Mr. Henry Morgan loaded two or three cars of wood at Ennatt station last week. Everybody is on topnotch with 25c. waiting for the great tea-party to be held in the Lindsay Road church on Wednesday evening, March 9th. We are sorry to year of the sudden death of Miss Annie Stephens, of Stephens, of Chatham, sister of Mrs. J. Carpenter, of this place. The shed at the church is nearly ready for the shingles. Miss Hall, our new teacher, when to visit her parents in Chatham, on Saturday. Mr. A. Shaw has traded horses, and

CHEMICAL ANALYSIS

Reveals That "Pe-ru-na is Calculated to Tone up the System, Restore the Functions and Procure Health."

SO SAYS PROF. L. J. MILLER, CHEMIST.

Prof. L. J. Miller, late Professor of Chemistry and Botany of the High School of Ypsilanti, Mich., writes from 327 N. Clark Street, Chicago, Ill., as follows: "As several of my friends have spoken to me of the favorable results obtained through the use of Peruna, especially in cases of catarrh, I examined it most thoroughly to learn its contents. I found it composed of extracts of herbs and barks of most valuable medicinal qualities combined with other ingredients, delicately balanced, calculated to tone up the system, restore the functions and procure health. "I consider Peruna one of the most skillfully and scientifically prepared medicines, which the public can use with safety and success."—PROF. L. J. MILLER.

he is now sporting a fine driver. Mr. A. Buckingham, of Bachelors Grove, was the guest of his uncle, Mr. Thomas Buckingham, last Sunday. Sunday, Feb. 28th, was the anniversary of the Lindsay Road church. Rev. Mr. Taylor, of Dawn Mills preached two stirring sermons and the choir furnished some fine music. The anthems, we must say, were fine, and were rendered under the leadership of Mrs. Thomas Shaw.

CHARING CROSS.
The recent floods have made the town almost dangerous between here and Chatham through washing great cuts across the road. Would it not be advisable for our Township committee to repair it as soon as possible and avoid accidents. The concert in the I. O. F. Hall in aid of the Foresters here was a complete success and much credit is due the Chert Ringers, Mr. E. S. White, in the way of management. Mrs. F. W. Shearing and child are visiting friends in eastern towns. Miss Maud Hooper, of Chatham, is visiting her sister, Mrs. A. Wright, on the 10th concession. Miss Mable and Lena Jenner have returned home after a couple of weeks visit with friends at Guilda. Some of the remains of the runaway which happened a few days ago have come to light from the recent thaw, and it is a wonder that Mr. Russell is able to be able to gather them in, as the cutter was a total wreck. T. Barley happened with a runaway last week which might have proved serious. Miss Mabelle Meloche is spending a few days in Chatham. Mrs. A. Jenner, of the Middle Road, is with her mother, Mrs. A. Pardo, at Cedar Springs, who is reported, we are sorry to say, sick. Mr. and Mrs. Pardo were at one time residents of the Middle Road. Dr. Rowe, of Blenheim, was called here Sunday to attend a horse of B. West's, which was severely kicked Sunday morning. Dennis O'Neil, we are glad to report, is about able to be around after his recent accident of severing his toe with an axe. Herbert Hooper, who for the last two years has been with Mr. A. Wright, we are glad, has engaged for the coming season with Mr. Chas. Town of the 9th concession. George Wright spent last Monday with his brother on the 11th concession.

NORTH BUXTON.
Raleigh, from this place north to the river, no doubt has rarely seen water as high as was seen last week. Never since the Raleigh plains was a duck pond has the water reached its present level. Scores of families have moved up stairs in their houses, while the water wroug had have with their stock. The water was highest Friday, but has now receded.

"Builds up the System."

Hon. Joseph H. Ridgway, Secretary of the American Anti-Treaty Society, writes the following letter from the Grand Central Hotel, St. Paul, Minn.: "It is with great pleasure that I endorse Peruna as an honest medicine, competent to do all it claims. I have used it several times and know of nothing that cures so completely, and at the same time builds up the system. "I have recommended it to a number of my friends and always feel that I do them a service for I know how satisfactory the results invariably are. I only wish every family had a bottle—it would save much sickness and doctor bills."—Joseph H. Ridgway.

"Feel Better Than for Five Years."
Mr. James R. Taylor, Roberts, Ind., writes: "I am at the present time entirely well. I can eat anything I ever could. I took five bottles of Peruna, and feel better now than I have for five years. I have doctored with other doctors off and on for fifteen years, so I can recommend your medicine very highly for stomach troubles. I take great pleasure in thanking you for your free advice and Peruna."—James B. Taylor.

"I Enjoy My Meals as I Used to."
Mr. J. W. Fritchard, Wolf Lake, Ind., writes: "I am pleased to say that I have been cured of catarrh of the stomach by Peruna. I could hardly eat anything that agreed with me. Before I would get half through my meal my stomach would fill with gas causing me much distress and unpleasant feelings for an hour or two after each meal. But, thanks to your Peruna, I am now completely cured, and can eat anything I want to without any of the distressing symptoms. I can now enjoy my meals as I used to, and it is all due to Dr. Hartman and his wonderful medicine, Peruna.

"It has been one year since I was cured, and I am all O.K. yet, so I know I am cured."—J. W. Fritchard.

Dyspepsia is a very common phase of summer catarrh. A remedy that will cure catarrh of one location will cure it anywhere. Peruna cures catarrh wherever located. That it is a prompt and permanent cure for catarrh of the stomach the above letters testify.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

Neil McMillan, grocer, was in St. Thomas, Monday, attending the funeral of his cousin, the late Miss Kate McGregor.

Mrs. John Buchan, Talbot St., has been riding with a gripe for the past three weeks. Miss McDonald, of Ridgeway, is visiting her sister, Mrs. D. C. McLean.

Mal. Sinclair, of Chatham, was in town this week calling on friends. Rev. W. H. Shaw, Methodist minister, has returned, after a two weeks' visit with friends in Chicago. Mrs. Hugh Ruthven, who has been sick at the residence of her daughter, is somewhat improved.

The funeral of the late Wm. McCullum took place from the family residence, Wednesday, interment being made in the Rodney Cemetery. Geo. E. White, D. D. G. M. for Erie District, No. 1, visited Ecoday Lodge, No. 411, A. F. & A. M., on Wednesday evening. Miss Rogers, of the Public school, was in London on Saturday, visiting friends.

A HEALTHY OLD AGE

The Goal of Every Man's Ambition

THOUSANDS of human beings are suffering under the burden of a sickly, premature old age, because of diseased kidneys. These organs once diseased give out to all parts of the body a deadly slow-acting poison. The face loses its color, the eye its luster, the brain its ambition, and the muscles their energy, and many of the most troublesome ailments result.

Bu-Ju cures all forms of kidney trouble, and brings back youth and vigor by rooting out the evil. It is a never-failing cure for every form of kidney ailment. It cures rheumatism by eradicating the cause of rheumatism, kidney disorders. If you are suffering from any form of kidney trouble, commence taking Bu-Ju, The Kidney Pill, at once. You cannot afford to neglect the many symptoms that point to diseased kidneys.

I know one box Bu-Ju saved me \$40 doctor bills, and think they are the finest pills made. I give this testimonial freely. Yours truly, JAMES ABBOTT.
