

In this corner "KNOCK-OUT PRICES" Champion Money Saver of the World

With a vicious right and an equally wicked left, "Knock-Out-Prices", the champion money saver of the world is at Farrah's store. He's here to defend his title---ready to meet Old Hi Cost of Living in an unlimited bout So certain is "Knock-Out-Prices" of Victory that he invites the entire community as guests to this notable event. He will meet all comers---weight or other conditions being no consideration.

Old Hi Cost is doomed to get a solar plexus blow or so strenuous a wallop on the jaw that he is sure to go down for the full count---and stay down and out during this carnival of price hammerings.
