## ONE WAY TO SAVE MONEY, LADIES,

is the knowledge that from the buying standpoint Ladies' Ready-to-wear Goods, in most cases, show much better values than purchases of the materials to be made up. It was not always so, but this is how the matter stands to-day.

Prices have been continually rising, with ever increasing prices of raw wool, and more lately tremendous advances in the prices of raw cotton.

## OUR LADIES' READY-TO-WEAR GOODS

are always booked up with the manufacturers at least six months ahead of the season, to catalogues and samples of goods which these manufacturers have made up and priced on materials generally booked up about six months ahead of them.

The retailer of Piece Goods would not be booking for his requirements as far ahead as a clothier, and as lately piece goods have had very large advances, it stands to reason that the later bookings of piece goods show poorer values than the made up goods. We have realised this in our buying. Our buying has been made a long way ahead, and we are giving our customers all the benefits of money saved by advanced buying. You can save a lot of money by buying from us

## All Kinds of Ladies' Ready-to-Wear Goods.

This includes Blouses, Dress Skirts, Underskirts of all kinds, Shower Coats, Covert Coats, White Embroidered Cambric Nightdresses, Camisoles, Chemises, Combinations and Knickers.
