

Sit down and enjoy 'Xmas.

This is good advice, so we're enlarging on it by suggesting that on your list of Christmas Gifts none would be more acceptable than comfortable Easy Chairs.

For Father, Big Brother, or for Him, a large leather, or Oak and Leather Chair—when he may sit and rest and plan for the future. For Mother, Big Sister or Her, a quaint, cosy Upholstered Rocker or Easy Chair, where she too may sit and day dream.

If you're not certain about what to give, let the Easy Chair decide the point. If you're not sure what kind of chair is suitable for your Christmas display, and you'll surely find just the one you need. Chairs for Christmas Cheer at the
