Bell Wins Big Race.

DOMINION SPORTS ARE A GREAT SUCCESS.

Over 2,000 people attended the Dominion Championship Sports held yesterday afternoon in St. George's Field under the auspices of the C.L.B.C. Athletic Association. His Excellency the Governor, attended by Capt. A. B. Baird, A.D.C., was present during the greater part of the afternoon and presented the prizes. His Excellency was met on arrival by a guard of honor from the C.L.B. Cadets under Capt. P. Miles. Every item contained in the lengthy and varied programme was keenly contested by the many competitors and thoroughly enjoyed by all the spectators. The special display by the C.L.B.C. Gymnastic Squad, under G.S.M. H. Rendell, was very well done and was loudly applauded. The 10 mile race which was the feature of the sports, was won by J. Bell, the well known local runner, who represented Newfoundland at Halifax last year, his time for the completed course being 58 minutes or just 8 minutes longer than the world's record, Eric Robertson, the only Newfoundland representative in the Olympic Games held at Antwerp last year, was second, and R. Maund came in third. These, the only three competitors, met at the Octagon from where the race was started at 3.30 p.m. The course was along Topsail Road, Cornwall Avenue to St. George's Field, where two laps were necessary to complete the course. Bell took the lead from the start setting a pace of about 90 to the minute. Although the other competitors fell into an excellent stride and made good headway, Bell quickly forged ahead of them, and before five miles of the course had been covered, had obtained a lead of fully half a mile which he continually increased until when St. George's Field was reached, he had nearly a mile lead on Robertson, who was second. Bell covered the two rounds of the field in fine style and was quite fresh when he finished. The length of the course, according to the speedometer on the Judge's car, was 10 1/4 miles so that Bell's achievement, when the condition of the road is also taken into consideration, a remarkable one, for the adverse conditions would considerably lessen the difference between his time and the world's 10 mile record of 50 minutes.

A cup, which will arrive next week and which will be officially presented to Bell at the C.L.B. Armory, was the prize for this race whilst certificates will be awarded to all three competitors. A special medal was also presented to Bell and silver cups to Robertson and Maund. The Band of the C.L.B. Cadets, under Capt. Morris, was present during the afternoon and discoursed excellent music in their usual inimitable style. To Rev. E. H. Fletcher, Chairman, C.S.M. B. Colton, Secretary, and all other members of the C.L.B.C. Athletic Association, great credit is due for the success of the sports which will be remembered for many years to come as perhaps, the greatest event in the sporting annals of Newfoundland. The list of winners of the various events is as follows:

A Turkish bath can be given a few house plants by turning the scalding-hot water on in a bathtub; shutting the door and letting them steam half a day. Cool by degrees.
