

when first I saw him, and again the other night, is explained. It was the resemblance that struck me. Fool that I was not to suspect it; and yet how could I? Who was to dream of this?

"And we—no have—murdered him," said Stephen, with a hoarse hollow groan.

"And had we not more cause than we knew of?" cried Garrett. "Is the deed not of tenfold more benefit than we imagined? Think of the possible danger which his life caused us."

"True, true. We are safer than ever. We have certainly now— But—should discovery be made?"

"Fear it not. There is nothing to connect us with the thing, even should the body be got, which I don't believe is ever will. The only risk of discovery is from yourself. You nearly betrayed us both just now."

"It was the shock, Garrett—the sudden shock. I am calmer now, and shall not be so moved again. Has he gone?"

"He is walking on the terrace," answered the factor who—moving towards the window, and was peeping forth from behind the blind."

"On the terrace? He is not gone then, and he is his friend? Good God, Garrett, when he finds him missing, he will cause search to be made everywhere."

"Let him. If they find the body at the bottom of the mine, that will be all. It will appear to every one an accident— suspicion cannot possibly fall on us. 'Pon my word, Captain, we are safer now than ever—Ha!"

"What—what is it?" cried Stephen, nervously.

"Yonder is Matthew Greigson coming up the avenue in haste and excitement. He must be coming with the news that the youth is missing—"

"And he will see Harry," exclaimed Stephen.

"He sees him already; he waves to him; your son has gone to meet him."

Stephen Gibson flew to the window, and gazed forth from the other side of the blind, when he too saw Matthew Greigson moving up the avenue at a pace very fast for him, and Harry with questioning strides, was moving towards him. They stood for a minute speaking together. From Harry's manner, the communication he received from Matthew seemed to be of an exciting nature, for he started—seemed to ask rapid questions and receive rapid answers. Then the pair left the avenue, and turning to the right, went across the park together, Stephen and Nathan watching them from the window till a clump of trees hid them from his sight.

Mr Fellows is daily in receipt of letters of enquiry, from various parts, respecting his Syrup of Hypophosphites. One recently received, leads to the belief that the public mistake his meaning in reference to its effect in imparting superior energy to the mind. Where the intellect has been impaired by overwork or by kindred causes, the use of the Syrup, together with proper precaution in the use of food, clothing exercise and rest, will restore full power to the brain and nerves. Superiority in genius consists in great capacity of brain for assimilating material from every quarter, and of developing in proportion, but as by far the greater number are not well endowed by nature, consequently lacking this capacity, it would be quite impossible to find cranium space for material necessary to constitute the brilliant genius. Hence, although the Syrup will assist in restoring the mind which is lost, it cannot change a natural born idiot into an intelligent man.

A gentleman who used to carry on the Sheriff business, wholesale and retail, in Ontonagon County, in an early day, was frequently called upon to quiet tumultuous brawls, which he did by rushing into the crowd and knocking every man engaged in the row as flat as a flounder, and then repeating these memorial words over prostrate bodies: "Say, boys, what's all this fuss about? As Sheriff of Ontonagon County, I command the peace."

POSITIVELY A FACT.
Mustard's Catarrh Specific

Cures Catarrh, Cold in the Head, Neuralgia, Toothache, Nervous and Sick Headache, Weak and Sore Eyes. The Specific is a new remedy, prepared from Medicinal Herbs, Roots, Gums and Flowers. Free from poisonous Drugs, it is harmless, novel, and philosophic in its operation. Try it if you are afflicted with the above diseases. It is also one of the best Cough and Croup Remedies extant.

Mustard's Vegetable Pills should also be used in connection with the Specific for Sick Headache and Catarrh; and those who are afflicted with Rheumatism should try Mustard's King of Oils.

Sold in Guelph by McCullough & Moyer Drugists. Manufactured at Ingersoll by N. J. Mustard, Proprietor.

THE REASON WHY

Dr. Wheeler's Compound Elixir of Phosphates and Calcium is called a Chemical Food and Nutritive Tonic, because Phosphorus constitutes more than half the material of the human body, and is absolutely essential to the growth of Bone, Muscle and Nerve, which cannot attain full development without them. They promote a good appetite, perfect digestion, create pure, healthy, vitalizing blood, and supply the waste constantly going on in the system as a result of mental and physical exertion. Being combined with Calcium, the Peruvian Bark, the only specific for Chills and Fever, and that condition of Nervous Prostration and General Debility arising from low vitality and exhaustive diseases, it forms an elegant and agreeable, invigorating Tonic, purely physiological in its action, that may be taken safely under all circumstances, and all diseased conditions of the body, as it builds up the constitution in the same manner as it does in the system.

CAUTION.
The Cornwall Manufacturing Company have pleasure in intimating the complete restoration of their works at Cornwall which are now in full operation, producing large quantities of White and Grey Blankets, and Heavy Medium Class Tweeds. They regret, however, having again to call attention of the public to the continuance of the disreputable practice of importing English Blankets and selling them as Canadian. These Blankets are made largely of Shoddy and Cotton Waste, with a small percentage of pure Wool, and though slightly in appearance, closely imitating the Cornwall Blankets, and ticketed "Canadian Manufacture," have neither warm nor wear, but can be sold at a lower price than the Cornwall Blankets which are made of Pure Wool) can be produced for.

The public are cautioned against this attempted deception, and respectfully informed that the name of the CORNWALL MANUFACTURING COMPANY is printed on the ticket of every Blanket made by them. Cornwall, Sept. 16th 1872 dwzm
