

**Manitoba Items.**  
The Winnipeggers are going in for ornamental trees. An agent for a Minneapolis Nursery, has, during the past few weeks, taken orders for over \$2,000 worth of trees and shrubs.

Since the Menomonees took up their claim the price of provisions have greatly advanced in their localities. At Clear Spring settlement potatoes which were selling at 40 cents now command 75 cents.

The first municipal tax paid in Manitoba or the Northwest was handed to the city collector by Mr. Wm. Dodd. The amount was \$4, and being in one bank note it is proposed to frame and preserve it.

**Breakfast.—Epps's Cocoa.**—GRATEFUL AND COMFORTING.—"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctor's bills."—*Civil Service Gazette.* Made simply with boiling water or milk. Each packet is labelled—"James Epps & Co., Homeopathic Chemists, London."

Miss Thompson the artist, has been presented with a magnificent bracelet by the Queen. What is quite as good, her "Roll Call" is proving a great success as an exhibition throughout England, and she has enough orders for pictures to keep her pencil busy for a dozen years to come.

Payson's Indelible Ink and Crystal Marking Pen combined, and enclosed in a neat polished wood case, is the latest novelty. The case is convenient, portable, always ready for use, and completely protects the pen and ink from loss or injury, can be kept in the work basket and is always ready.

**Special Notices.**  
**CALISAYA, THE BEST VARIETY** of Chichona or Peruvian Bark, first came into general use on account of a remarkable cure performed by it on the Countess del Chichona, at Lima, who, after her recovery, distributed a large quantity of it to the Jesuits, in whose hands it acquired a great reputation, that charitable prelate, Cardinal de Lago, having purchased it at a great expense for the benefit of the religious poor at Rome. It is combined with aromatic and delicious cordial in Dr. Wheeler's Compound Elixir of Phosphates and Calisaya, a remedy of extraordinary efficacy in restoring constitutional vigor, and repairing the worn out frame, whether used up by mental worry, over-work, excesses and bad habits, or debilitated by prostrating diseases.

**SLATE ROOFING PAINT!**

AGENTS WANTED IN EVERY TOWN.  
A Roof may be covered with a very cheap shingle, and by application of this slat may be made to last from 20 to 25 years. Old roofs can be patched and coated, looking much better and lasting longer than new shingles without the slat, for ONE THIRD THE COST OF RE-SHINGLING. The expense of slating new shingles is only about the cost of simply laying them.

**The Paint is Fire-Proof**  
against Sparks or Flying Embers, as may be easily tested by anyone, and appears from the fact that Insurance Companies make nearly the Same Tariff as for Slated Roofs. For Tin and Iron it has no equal, as it expands by heat, contracts by cold, and NEVER CRACKS NOR SCALES. For Fences it is particularly adapted, as it will not corrode in the most exposed places. Roofs covered with Tar Sheeting Felt can be made water-tight at a small expense. The Slate Paint is

**EXTREMELY CHEAP!**  
Two gallons will cover over 100 square feet of shingle roof, or over 400 of tin or iron. No Tar is Used in this Composition, therefore, it does not effect the water from the roof, if turned off from the eaves before the first few rains. On Decayed Shingles it fills up the holes and pores, hardens them, and gives a new, substantial roof that will last for years. Curled or Warped Shingles it brings to their place and keeps them there. It fills up all holes in tin or felt roofs, and STOPS THE LEAKS. The color of the slat when first applied is dark purple, changing in about a month to a light uniform slate colour, and is, to all intents and purposes, SLATE. The Paint has a very Heavy Body, but is easily put on, and, although a slow dryer, rain will not affect it in the least one hour after applying.

**ROOFS EXAMINED. ESTIMATES GIVEN.**
