Question of Taxes.

To the Editor of The Advertiser:

Noticing in one of the city papers that my taxes were not remitted, but charged against my pdoperty, which will no doubt prevent the sale of it, and which I will be compelled to do in order to live, after many years of hard struggling to have a little home over my head, and now must part with it on account of exorbitant taxation. Last year I sold my stove to help pay taxes, and this year I presume my bed must be sold rather than have any encumbrance on the property when selling it.

Now, Mr. Editor, why are such things allowed? It is well known that one man gets $2,500, an over-abundance, while a poor widow over 70 years must give up all that she has that such salaries can be maintained. I am 87 years a resident of London. ANN GRANT.

Hay Fever Germs Are Now Floating About,

They are in the air everywhere, too minute to see, but just waiting for a chance to get into your lungs. Then they will play havoc with your breathing apparatus, and you'll wonder what to do. The doctor will say you had better inhale Catarrhozone, for it kills Hay Fever germs, and moreover is dead certain to reach them. Catarrhozone cures every time, and absolutely prevents the disease from returning. You inhale Catarrhozone with the air breathed; it goes directly to the source of the trouble and cures it by removing the cause. At druggists', or sent with guarantee of cure, to any address for $1 forwarded to Polson & Co., Kingston, Ont.

—George Stinson, engineer at McCormick's, caught his legs between some steam pipes Saturday and was burned badly.

—Messrs. G. Traver and Dan Swanson are at Ipperwash Beach, near Thedford, erecting summer cottages for Dr. Ovens, of this city. The doctor intends putting up about twenty.

—A very pretty but quiet wedding of a former London young lady, Miss Lydia S. Calver, to Mr. John S. Miers, of Walkerville, took place at the residence of the bride's father, Fourth street, Walkerville, on Saturday afternoon, June 29.

—The schooner Albatross has arrived at Port Stanley from Erie, with 300 tons of egg coal and 306 tons of chestnut coal for Hunt Bros., of this city. This is the largest cargo of hard coal that ever come into the port, and the first of its kind in twenty years.

—The riflemen of the Seventh Regiment, who are participating in the military league rifle matches, have had so far to supply their own ammunition. A telegram from Secretary W. H. Davidson, of Quebec, announces that he sent the ammunition long ago, and will investigate immediately.

—The G. T. R. Atlantic express going east, due to arrive here at 10:50 a.m., struck a rig belonging to Mr. D. McCallum, of Lobo, near Komoka, yesterday. The horses turned toward the engine, and the one nearest was struck and hurled into the ditch. The other horse was unhurt, and the rig and occupants were quite uninjured.

—The Ingersoll police are looking for Thomas C. Gibson, who kept a small store in that town for a few weeks. Gibson hired a horse and rig on Thursday last at a town livery, telling the liveryman that he would return in the evening, but at latest accounts he was still missing. Gibson formerly belonged to London, and made a living by peddling medicine and clipping horses.

—The members of Toronto Commandery, Knights of the Grip, have arranged a monster excursion to London for the occasion of the London Commandery's picnic, Aug. 17. A large number of the members of the Toronto Travelers' Association and their friends have signified their intention of joining their brother gripmen in their visit here. A good programme of sports is being arranged, to consist of twenty events. A liberal sum of money has been appropriated for the purchase of prizes. It is also intended to have a baseball match between the London and Toronto drummers. In the evening a special entertainment will be provided, and also a dance in the pavilion.

—Stratford Herald: Many old friends in Stratford will regret to hear of the death of Mr. Eli Hodgins, till recently proprietor of the Windsor Hotel here, and previous to that a grain buyer of this city. He had also been an alderman and mayor of the city. Mr. Hodgins had been ill before leaving here and not been well since taking charge of the Commercial Hotel in Richmond, Mich., where he passed away at 11:20 p.m. Saturday. The late Mr. Hodgins was 52 years, 11 months and 15 days old. He was born in Lucan, and has a brother and sister, Mr. Wm. Hodgins and Miss Hodgins, living in that place. Mrs. Miller, of London, is another sister. His wife, nee Miss Gibson, of Stratford, and two daughters, Mabel and Jessie, survive him.

Mr. and Mrs. Maledon will be at home to their friends at 629 Military avenue, Detroit, after July 23.

MEMORIAL SERVICE AT DETROIT.

Memorial services, simple but beautiful, were conducted at Detroit on Sunday afternoon for William H. Sullivan, the young man who was struck and killed by lightning at Bois Blanc Island, July 4, and who was buried here on Sunday. Rev. Chas. O'Meara, of St. Louis, Mich., delivered the address. He praised Mr. Sullivan for his quiet unostentatiousness and religious devotion. "God called him in a moment. The call came as it seemed to us by a stroke of lurid lightning, but some day it may be given to us to know that what to us seemed so terrible a thing was but the Master's hand laid lightly upon him, as outside the walls of Nain long centuries ago a young man thus summoned with the words: 'Young man, arise to a new, nobler and greater life—a life that knows no end.'"

SUDDEN DEATH.

Mrs. A. C. Clark, of 626 Lorne avenue, received word yesterday of the sudden death, from a paralytic stroke, of her father, Matthew Greensides, at Fleming, N. W. T., on June 30. Deceased had resided with his son, Thomas, at that place, for the past nine years, and although he had reached the age of 72, had enjoyed good health up to the time of the fatal attack. He formerly resided in this city, and was well known in Clinton and neighborhood. Arrangements have been completed whereby Mr. Greensides was to have taken up his residence with his daughter here this fall, and his sudden demise came as a shock to her. Deceased leaves a family of three sons and two daughters to mourn his loss—Messrs. Thomas Greensides, of Fleming, N. W. T.; David and Richard Greensides, of this city; Mrs. Kehoe, of Toledo, Ohio; and Mrs. A. C. Clark, of this city. Interment took place at Fleming.

Any others willing to assist in this commendable movement will please apply to Mrs. Adam Beck for subscription cards.

BUILDERS AND OLD BOYS FROM CLEVELAND.

The Cleveland Leader of the 7th says: It is probable that some of the building contractors of this city will visit Canada this season. Very friendly relations have been cultivated during recent summers as the result of joint outings held by the builders' exchanges of Cleveland and Canadian cities. A meeting of the Cleveland contingent of the International Old Boys' Association of London, Ont., was held at the Builders' Exchange rooms last Wednesday evening, when plans were discussed for attendance at the home week celebration in London early in August. A large delegation of former residents of London will take in the excursion, a special boat being chartered for the trip. Members of the Builders' Exchange have been assured of a welcome should they decide to join in the excursion, and any others who may wish to take advantage of the special rates and accommodations will also find room.

DOWN TO BUSINESS

The Christian Endeavorers Begin Their Programme—Rev. Dr. Robert Johnston One of the Speakers.

Cincinnati, Ohio, July 8.—After the business session of Saturday and the evangelistic and other mass meetings of yesterday, the regular programmes of the 20th international convention of the Christian Endeavor were begun today. Several of the largest churches in the central part of the city were used, in addition to Odeon Hall and the three large auditoriums heretofore used.

Two quiet hour meetings were held from 8 to 9 a.m. conducted by Floyd W. Tompkins, of Philadelphia, and Cornelius Worlfkin, of Brooklyn. Mr. Campbell Morgan, of Baltimore, conducted a meeting on Bible teaching, and J. E. Carson, of Brooklyn, one on "The Holy Spirit." Miss Margaret Koch, of Waterville, Me., conducted a conference on "Bodily and Vocal Development."

At Auditorium Endeavor, President Clark presiding, and H. Lincoln, of Philadelphia, as director of music, "The Twentieth Century Home" was the topic, with addresses by Clarence J. Harris, Atlanta; Edwin Forrest Hollenbeck, Albany; Ira Landrith, Nashville; J. E. Pounds, Cleveland; W. G. Marsh, Adelaide, Australia, and Rev. Dr. Robert Johnston, London, Ont.

At the First English Lutheran Church, Secretary J. Willis Baer presiding, and Percy Foster as musical director, there were many addresses on "The school of methods for the junior Christian Endeavor," by Mrs. Frances Clark, Boston; Miss Frances Lebaron, Chicago; A. J. Turkle, Allegheny, Pa.; Miss Clara E. Boyer, Dayton; Miss Kate H. Haus, St. Louis; Mrs. L. M. Hageman, Muncie, Ind.; Field Secretary C. E. Eberman, Boston; Miss Elizabeth M. Olney, Providence; Jenks B. Robinson, Philadelphia; Treasurer Wm. Shaw, Boston; George W. Pollock, Buchanan, W. Va., and George B. Graft, Boston.

At Odeon Hall, the new field secretary, Clarence E. Eberman, presided, and addresses were made by local, district and state union officials. The noon-day evangelical services were conducted by Dr. C. L. Work.

TODAY'S DOINGS.

Cincinnati, July 9.—The time of the delegates to the Christian Endeavor convention today was mostly occupied by denominational conferences. There were 26 of these rallies held in the various churches about the city, and they were attended by almost all the delegates and visitors.

The day opened with the usual two daily quiet hour services, conducted by the Revs. Floyd W. Tompkins, of Philadelphia, and Cornelius Woelfkin, of Brooklyn.

A special meeting was held during the morning at the Central Christian Church, where the Rev. G. Campbell Morgan, of Baltimore, gave consecutive Bible teachings. Rev. J. F. Carson, of Brooklyn, also spoke, his topic being "The Holy Spirit."

The personal equipment of Endeavorers, and all those who seek to be, in that of all the requisites, both spiritual and temporal, necessary to become successful workers, was a very interesting subject discussed at the Ninth Street Baptist Church under the direction of Miss Margaret Koch, of Waterville, Me.

The three great auditoriums were thrown open to the public at 9:30 a.m. for a discussion of "The Twentieth Century Church." Rev. J. H. Garrison, of St. Louis, presided in the Auditorium Ohio; Rev. Canon J. B. Richardson, of London, Ont., in Auditolum Endeavor, and Rev. Allen B. Philliit, of Indianapolis, in Auditorium Williston. Five-minute speeches were the order and many were made by the various visiting clergymen.

The meetings were then adjourned to allow the Endeavorers to join in the noon-day evangelical work in the factory and tenement districts.

VICTIMS OF THE HEAT

Nearly One Thousand Deaths in a Week in New York—104° at Topeka, Kansas.

New York, July 9.—The official reports to the bureau of vital statistics of deaths from heat for the week ending July 6 show that the actual number in the five boroughs of Greater New York was 989. For the boroughs of Manhattan and The Bronx the number was 699; for Richmond, 12; for Queen's, 24; for Brooklyn, 264. The records cover a period from twelve o'clock noon, June 29, this year, to July 6 at noon, practically covering the days when the heat was most intense.

VERY HOT IN KANSAS.

Topeka, Kansas, July 8.—This has been a day of unprecedented temperatures in Kansas. In Topeka for two hours this afternoon the mark reported was 104. In Marysville 108 degrees was the record. Fort Scott reports 106 degrees. Reports from numerous Kansas counties tonight indicate that the corn crop is practically a failure. Hay is selling at enormous prices, and the indications point to almost a famine in feed for animals, unless rain comes within a day or two.
