SURGEON DENOUNCES PROPAGANDA OF THE **ANTIVIVISECTIONISTS**

Dr. John R. Deaver of Philadelphia Addresses Western Ontario Academy.

DEFENDS EXPERIMENTS

Serious Situation Develops As Tells the Medical Convention Animals Must Be Sacrificed For Human Benefit.

Emphatic denunciation of antivivisecbattalions of British infantry is under tionists was made by Dr. John B. orders to proceed to Upper Silesia from Deaver, M.D., D.S.S., LL.D., professor the Rhine, and it is contemplated, if of surgery at University of Pennsylvania and surgeon-in-chief to Lankepossible, to increase this force, Austen Nau Hospital, Philadelphia, when he possible, to increase this force, Austen Chamberlain, the Government spokes man, told a questioner in the House of Commons this afternoon.

Urgent representations have been made at Warsaw by the ministers of the three allied powers, acting in concert, Mr. Chamberlain said, but the evidence at the British Government's disposal a lantern slide demonstration of "Gas-tric Syphilis" before scores of practi-tioners from the district who attended

"My choice of subject has been in-fluenced by the appearance in the United States of a certain individual who represents the perverted activities of the antivivisectionists," began Dr. Deaver, "and he has been endeavoring to spread his propaganda abroad. The honor of listening to this gentleman will in all likelihood also be yours in the near future. I can only hope that the press of Canada will show the same discrimination as was shown by the press of Philadelphia. It is a signifcant comment on the good judgment of the Philadelphia newspapers that no one of the three principal morning papers contained a single word of the meeting at which the gentleman in question was scheduled to speak in Philadelphia about one week ago."

"It is the duty of those who respect

the high aims of our profession demonstrate the fallacy of this unscientific and benighted attitude of these misguided individuals of Everyone truly interested in humanity realizes that race improvement is large Premier Briand, questioned by a group of deputies before the meeting of the chamber today, said there was no reason for the occupation of the Ruhr region because the aspect of the Silesian question had been changed, and if the Ruhr were occupied without the support of the Allies it would be equivalent to abandonment of the treaty of Versailles.

Premier Briand went into the same subject later in his statement to the Chamber of Deputies on the Government. Chamber of Deputies on the Govern-ment's foreign policy and with regard to the London agreement for non-occupa-tion of the Ruhr valley on the operating table.

Animals Die as Result. "The two are for the most part per and Great Britain.

"In the world as it is constituted today." M. Briand said, "no country can
exist in isolation. I do not want French that it was trying to live up to its promises.

The promises asked the Chamber of ing the cause of disease, and its value in general trying disease.

as a means of preventing disease."

Continuing, the speaker, stated that the mere presence of 200,000 men on the Rhine was sufficient to make Germany fulfill her obligations.

Is Clearing Up.

Concerning the Silesian question. M. Briand said the situation was clearing up and did not necessitate intervention by the French troops.

Briand said the situation was clearing by the French troops.

"That is a far cry from your 'hand on the nape of the neck' speech," shout ed Deputy Le Provost de Launay, while the members of the extreme right showed great agitation and expressed their disapproval of the premier's utterances as being "a move toward the left."

Dilating on the situation between Great Britain and France, M. Briand declared: "It is folly to believe that after the great storms which the Entent friendship has weathered it would here freecent London conference, and quoted the British prime minister as saying that when the French and British viewpoints were so far apart he words of Mr. Lloyd George, who addet." "It is this aspect of the panama Canal, and the stould not like to be the man who would have on his conscience the responsibility of breaking up the good ac speech in principle."

The problem of Nutrition.

The problem of Nutrition, he declared, the corrent of the present was also being solved by research work conducted on animals. Education of the law mind to see it in its right light, was the advice of this great surgeon to assume its old time vigor and liveliness. The regular game symbotom of the present the same symboth as these occurring in the human subject."

The problem of Nutrition.

The problem of Nutrition.

The problem of nutrition, he declared, the corients declared, the advice of this great surgeon to abolish perverted ideas on the subject. Prevention of disease, in his opiffion, is progressive due to animal experity in view of the decided uncertainty of the weather.

The problem of nutrition, he declared, the corient declared, the research work was also being sold by research work as being with the she him the research work and the strict of this great war, as the impution of the present and the strict of the same provide the strict

BIG JOB FOR CARSON. LONDON, May 24.-Sir Edward Caron who for many years has been the

leader of the Ulster forces in Parlia-ment, has been appointed lord of apin ordinary, in succession A WOODLAND SANCTUARY.

A WOODLAND SANCTUARY.

Algonquin Park, the Ontario Government preserve that has been set aside for a playground for the people, "is a sanctuary." No shot is fired in the great domain. No creature is hurt for thousands of miles. The tradition of hatred is dying out; and the man who would say, today, as so many have said in the past, "What a heavenly morning! Let's go out and kill something." would be sent to Coventry. The camera is there today; and the animals and birds are "snapped" in their daily living, free from terror. The accommodation in the park is such that the most varied tastes can be pleased. The Highland Inn and log cabin camps operated by the Grand Trunk Railway offer all the comforts that good service and social companionship can bring. The rates are reasonable. A handsome illustrated descriptive publication telling you all about it can be had for the asking, apply to any Grand Trunk ticket agent or C. E. Horning, D. P. A., Toronto, Ont.
