GETS BUSY ON CHARGES MADE BY ALD. WENIGE

Special Committee Probes Number of Minor Ones, Disproving Them.

OTHERS ARE LAID OVER

Investigation To Continue When Accuser Returns From Chicago Trip.

The special committee named by Mayor Little to probe the charges made by Ald. G. A. Wenige against the city engineering department made good progress Wednesday night, despite the sence of Ald. Wenige, who was in

Twenty-eight of the 43 clauses were gone into, and a number of them dis-posed of. Others were held over pend-ing the return of Mr. Wenige, when he will be given an opportunity to present evidece in their support. Few charges of importance were

passed upon. In some of these the statement of the engineer was taken and then the matter held. As soon as Ald. Wenige returns he will be made ac-quainted with this action, and asked to prepare his evidence for the next

Ald. Bridge, the chairman, said tha it was desirable to have the charg toes were trod upon. He laid down the general principle that only charges that were supported by evidence should be were supported by evidence should be considered, and no charges involving matters of opinion between the alderman and engineer. The members of the Wortley road pavement to the bridge committee were agreed upon this.

Pass Many Remarks.
City Clerk Baker read the charges City Clerk Baker read the charges, pavement. The engineer said that the general statement which preceded them. This, for the most part, was taken by the members of the committee as being Ald. Wenige's opinions on matters of policy as laid down by the council from time to time. Some of these statements brought some sarcas these statements brought some sarcastic and jocular remarks from members not laid until this year. In support of the statement that a

why it was necessary to bring in consulting engineers was raised. The engineer, replying said that on two occasions only has he had the advice lars, as the engineer wanted to erect a proper said it was no of a consulting engineer, and it was no disgrace, no matter how big a man be,

The engineer difficult problem.

deliberately misstated the facts, and I duced the danger signals. He said that

Supports Engineer.

Ald. W. A. Wilson, a spectator at the hearing, said he remembered the occabearing, said he remembered the occa-sion, and supported the engineer.

Ald. Colbert and Seabrook, who were

Can Can Experts.

Chairman Bridge ruled that nothing had been proved, but Ald. Wenige will

cierk, but, as Ald. Wilson pointed out, it did not show that the information was not available in the department. The committee held the charge that the engineer was not a taxpayer disproven by the fact that he is a lease-

holder and pays income tax.

Ald. Wenige will be asked to give Instances an names in support of his charge that here were long delays and that "bums and loafers" were engaged charge that here were togged that "burns and loafers" were engaged in the laying of Quebec street pavement. Another charge relating to the hauling of gravel for this pavement was that hauling of gravel for this pavement was all the street pavement was the fault of the paving plant in the latter case was that it was the fault of the paving plant in the aftermath, the seizure of a carload of beer from the company's warehouse.

MIRITAGENERAL THE PRINCE TO THE PRI

Claims City Cut.

The charge relating to the gravel was that the loads were not checked, and that the wagons drawing sand to this job, as well as others were not full, and thus the city lost thousands of dollars. The engineer stated that all loads were checked, and Mr. Hunter, of the engineer's staff, sald that every wagon had been measured.

The sportly done. The gravel was throw about and when citizens remonstrated, they were told that it was all they would get.

The alderman said that after the Wenige charges were made, he took a look around, at considerable loss of time to himself, and he had failed to find any loafing on jobs.

The engineer at the conclusion of the session pointed out its an expectation of the strated, they were told that it was all they would get.

The alderman said that after the Wenige charges were made, he took a look around, at considerable loss of time porting trade on this border. His decision will have an important effect on the liquor exporting trade on this border. The gravel was all cleanse for a bonded ware-house in order that they may store liquor legally.

Magistrate Gundy's decision will have an important effect on the liquor exporting trade on this border. The gravel was all cleanse for a bonded ware-house in order that they may store liquor legally.

The alderman said that after the wenige charges were made, he took a porting trade on this border. The gravel was all cleanse for a bonded ware-house in order that they may store liquor legally.

Magistrate Gundy's decision will have an important effect on the liquor exporting trade on this border. The gravel was all least charter to export liquor it first must have a license for a bonded ware-house in order that they was all least seven and they would get.

The alderman said that after the wenight have a license for a bonded ware-house in order that they may show a liquor legally.

with the west side of the York street bridge. The water lays there, and, according to Ald. Drake, many people are splashed while crossing the bridge.

Wenige charged that water on the bridge would impair the timber flooring. The engineer agreed that water on the floor of the bridge was something that should be remedied. He will close up the opening between the read

and foot part of the bridge. As for the water impairing the floor, he said that the planks had been treat-

At a joint meeting of all the lodges of degrees in the lodge of that town. of the Independent Order of Odd Fellows Wednesday evening a reception that an enjoyable evening was spent. lows Wednesday evening a reception was tendered at the lodge rooms to Thomas A. Sharp of Midland, Ont., W.

G. R. Bartram of this city, and W. A. McRoberts, also of London.

The second degree was conferred by Capt. Clements and the second degree am upon a large class of candidates

Capt. Clements and the second degree team upon a large class of candidates during the evening.

It was announced Thursday by Lloyd M. Houlding, boys' secretary of the Y. M. C. A. that the mother and son banquets, which was to have been held in the Y. M. C. A. building Wednesday, Nov. 16, has been cancelled.

The mother and son banquets, which were so popular last year, originated from the national father and son movement. This year the boys' work boarl has called upon the churches to hold their banquets individually. Nov. 14 to 19 has been designated as mother and son week.

In London there are thirty Protestant churches taking up C. S. E. T. work. The central council is asking that the churches carry out some special feature in connection with the banquet.

It is expected that in many churches in return the boys will conduct a model in the lodges of the district are looking in return the boys will conduct a model in the week.

Exeter Lodge will hold an "At Home" beginned in the week.

Capt. Clements and the second degree team upon a large class of candidates during the evening.

The reception was under the auspices of Cuplands to which day. Mrs. Brown, who was the wife of Dr. V. Brown, a famous surgeon of London in the early days of the city.
