Canadian Press Despatch.

Montreal, Sept. 7.—George S. Lyon,
Lambton, retained the championship of
the Canadian Senior Golf Association
when he completed the two rounds of
18 holes each in the tournament at the
Royal Montreal Golf course in the fine
score of 74, 73—147. He also retains possession of the Shaughnessy Cup which
goes with the championship. The runner-up was G. T. Brown of London, who
turned in a gross score of 161. The
Baker Cup, a trophy eagerly played for
by class "C" members of the association, went to E. A. Bernard of the Royal
Montreal, with a gross score of 174. The
noteworthy event of the day's playing,
however, was the recapture by the
Canadian senior team of the Devonshire
Trophy from the United States seniors
by the respectable margin of 3 points,
18 to 15.

The Dominion won the cup the year it
was represented, 1918, bupt it has been
lost every year since.

The struggle for the Devonshire Cup
was a stern one. The first match to be
reported showed three points to the
United States side. Mr. Lyon, Toronto,
who followed, could only get two points
for a card of 73. The tide swung
strongly to the Canadian side when W.
G. Ross was able to add two more
points.

After two matches went to the United
States team by narrow magnine.

G. Ross was able to add two more points.

After two matches went to the United States team by narrow margins George Brown, London, turned in a handsome 3—0 victory, and things again looked rosy for Canada. With two matches to hear from Canada was leading by a scant two points. Hon Martin Burrell added two by getting a half for the first nine holes and winning the second, and the annual struggle was over in Canada's favor as the best the United States player could have got, if he had won, would have been three. As a matter of fact Mr. Peck won the first half, but fell down coming in, losing the match on the trip.

The tournament will be concluded to

ter of fact Mr. Peck won the first half, but fell down coming in, losing the match on the trip.

The tournament will be concluded tomorrow, when the first individual championship contest of the senior golf association will take place. The contest will be over 36 holes at medal play, and is only open to players with handicaps of ten or under. The prize is a cup donated recently by the United States senior for annual competition among Canadians and themselves.
