New York, Nov. 17. — Flour firm: spring patents and hard winter straights, \$8.50 to \$8.85; soft winter straights, \$7.50 to \$7.85.

Montreal. Nov. 17.—Owing to the pronounced strength in the Canadian cash wheat found in the local spring wheat flour market. The export business was reported rather quiet, but the movement for domestic and country account continues steady, and the market in this respect was moderately active. The trade for winter wheat flour was quiet, but the undertone to the market was very firm.

The demand for white corn flour was somewhat limited at \$6.80 to \$7 per barrel, in jute bags, delivered to the trade.

Tho feature of the millfeed trade was the stronger feeling that developed in the market, and millers generally advanced prices for all lines \$1 per ton. The tone of the market for standard grades of rolled oats was firm under a steady demand.

Flour—Man. spring wheat patents, firsts, \$5; seconds, \$7.50; strong bakers \$7.30; winter patents, choice, \$6.65 Rolled oats—Bag, 90 ths., \$3.55.

Bran—Per ton, \$30.25.

RAW SUGAR

Reported for The Advertiser by the W. G. Coles Company, Bank of Toronto Building.

New York, Nov. 17.—Raw sugar

RAW SUGAR.
Reported for The Advertiser
by Bongard & Co.
Toronto, Nov. 18.

Some-back westerns, \$15.25 to \$15.50; fat sheep fully steady; odd lots of natives.

5-32c occurred in the raw sugar market today under increased offerings. Sales included 25,000 bags of Cuban late yesterday at 4,15c, while today 25,000 bags sold at 4.02c, both for prompt shipment. The weakness in the spot market, resulting from more liberal offerings and expectations of increasing supplies as the new crop begins to move, led to heavy general selling in raw sugar futures. Stop-loss orders were uncovered on the break, while the only support in evidence was covering by former sellers. Final prices were \$\frac{1}{2}\$ the lowest and 7 to 12 points below the previous close. December closed at 2.25, March 2.37, May 2.49, July 2.60.

Declines in refined sugar were checked by the sharp decline in raws, but expectations of increasing supplies as the new crop begins to move, led to heavy general selling in raw sugar futures. Stop-loss orders were uncovered on the break, while the only support in evidence was covering by former sellers. Final prices were the lowest and 7 to 12 points below the previous close. December closed at 2.25, March 2.37, May 2.49, July 2.60.

Declines in refined sugar were checked by the sharp decline in raws, but

ed by the sharp decline in raws, but prices were unchanged at 5c to 5.40c for

Montreal, Nov. 17.—A steady feeling prevailed in the market for notatoes a the recent decline noted. Quebec varieties were quoted at \$2.75 to \$3.

Grain Markets

Winnipeg. Nov. 17 .- Strong cables, a very large export business, with news of crop deterioration in the Argentine were the factors leading to a very bullish wheat market here today, and prices advanced over 5c above the pre vious close. There was slight reaction near the close, which recorded gains ranging from 3%c for November at \$1.40½ to 5½c for December at \$1.35½. At the high point for the day December touched \$1.41. All futures were

Toronto, Nov. 18.—The market was again without any definite trend on the Toronto stock exchange this morning and a further decrease in volume of trading took place.

ber touched \$1.41. All futures were active, and May closed at an advance of 4%c.

Opening figures were about 1c higher, and as the buying power developed on a broad basis, prices ascended rapidly. Practically all export offerings were covering. Argentine threshing returns were reported to be very disappointing some districts running as low as three or four bushels to the acre. Trading was light in the coarse grain markets, but prices followed the trend of wheat. Flax was firm and closed higher. There was only a moderate trade recorded in cash grains and no

CHICAGO Chicago, Nov. 18.—Wheat prices here underwent a quick early setback today, influenced by the fact that the Liverpool market was unresponsive to yesterday's sharp advance on this side of the Atlantic. Besides, some of the crop the Atlantic. Besides, some of the crop news from Argentina today was of a reassuring nature. Other advices, however, were that Argentine weather conditions remained unfavorable, and that crop etstimates for Argentina must be reduced more than 18,000,000 bushels. Chicago opening quotations, 3/c to 1c lower (new style), were followed by declines which carried December down to \$1.56% and May to \$1.52%.

Corn and oats sympathized with wheat weakness. After opening at 3/c to 1/c lower, the corn market underwent a moderate further drop.

Oats started at 3/c decline to a shade advance, and held near to initial figures.
