TIDE TABLE.

OAK BAY COUNCIL **WILL BORROW MONEY**

Minister Brought Down Return Bylaw Asking for \$5,000 to Meet Current Expenses is Given Third Reading

The Oak Bay council, at its regular meeting last night in the Foul Bay school house, started in a businesslike manner their work for the year. Although no definite plan of procedure for the year was outlined it was apparent from the interest which the new and old members evidenced in the work of this progressive municipality that this will be a banner year in its history.

history.
The members of the council present On the other hand, land sales amounted for the six months to but \$262,890.96, while for the twelve months preceding the revenue from that source amounted to over \$600,000. The discrepancy will probably be made up in the next six months as it is during the latter half of the fiscal year that the revenue from the land sales is the greatest

Finance Committee's Report. After the minutes of the last meeting had been read and adopted the read-ing of the reports was proceeded with and that of the finance committee was and that of the finance committee was considered clause by clause. The payments of the accounts adopted by the committee were passed, but their payment suspended until such time as the taxes had been collected. The expenditure on roads amounted to about \$714. In connection with this the reeve stated that the work, barring one instance, had not been authorized. one instance, had not been authorized by the council. He was of the opinion that this formality should be gone through with. It was moved and passed that the work that had been done be authorized and that in future the council have an opportunity to authorize this work.

authorize this work.

ment.
The clause for a special account for interest on debentures under the heading of one general account was passed, interest on debentures under the head-ing of one general account was passed, 83,373 00 as was also a clause that all deben-tures be registered as a precaution against loss by the holders. The clerk was instructed to open new books in connection with local improvements. In regard to Mount Baker road ex-tension, the chief commissioner of lands had stated that if the difference in the estimates of the engineers were not too great the government would place their portion of the work in the hands of the municipality, they to pay

in the event of a better water service being substituted by the city within the municipality who would own the

the municipality who would own the original pipes, the municipality or the private individual? This was referred to the solicitor.

Councillor Newton asked whether the municipality had the power to force the connection with a new main if the property owner has a water supply of his own. This was referred to the solicitor.

Councillor Noble asked why the engineer had not presented the sewer grade asked for, the work having been delayed through his backwardness. Mr. Noble was informed that the engineer had been asked to give an estimate of the cost of the work only.

Councillor Newton asked why the report of the special committee formed to draw up certain regulations regarding what may be done by the municiaplity with the lands acquired at the water front had not been presented. He was informed that the committee had not met.

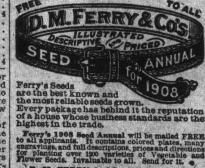

The annual loan by-law was given

niciaplity with the lands acquired at the water front had not been presented. He was informed that the committee had not met.

The annual loan by-law was given its first reading. The by-law authorizes the corporation to borrow \$5,000 to meet cufrent expenses prior to the collection of taxes at interest not to exceed 6 per cent. The by-law was amended and given its second and third reading and will come up for consideration later.

It was moved by Councillor McGregor and seconded by Councillor Noble that the works under construction by proceeded with.

The following committees were appointed: Court of revision, Messrs. Fernie, Henderson, McGregor, Noble and Newton; licensing board, Messrs. Fernie, Henderson, McGregor and Newton.

URGE AMENDMENTS TO TIMBER REGULATIONS

mportant Delegation of Those Interested in Timber Waits On the Government

One of the largest and most repre-sentative delegations that has ever met the provincial government interviewed the executive yesterday morn ing and offered a number of amend-ments to the present timber regula-tions which they desire to see made. The delegation was composed of some forty-three members, and rep-resent the British Columbia Lumber and Shingle Manufacturers' Associaand Shingle Manufacturers' Association, Ltd.; the Mountain Lumber Manufacturers' Association and the British Columbia Timber and Forestry Chamber of Commerce.

Hon. F. L. Carter-Cotton, as president of the council, presided, and the other ministers, with the premier, were

The speakers were Dr. Clark secre-tary of the British Columbia Timber tary of the British Columbia Timber and Forestry Chamber of Commerce, who laid special emphasis upon the desirability, both from the point of view of the owners and of the government, of extending the time for the renewal of timber licenses; D. C. Cameron, president of the Rat Portage Lumber Company, representing the Coast Association in particular; M. Leech, who represented forty-two mills in the mountain district; R. T. Elliott, representing the Victoria Forestry Association; A. C. Flumerfelt Elliott, representing the Victoria Forestry Association; A. C. Flumerfelt; T. W. Paterson, as an individual logger and milman; Mr. Cameron, New Westminster, representing the chamber of commerce, New Westminster; G. L. McCarter of Revelstoke representing the mountain lumbermen, and E. P. Brømner, Vancouver, president of the British Columbia Timber and Forestry Chamber of Commerce. E. H. Heaps of Vancouver acted as chairman of the delegation.

shall not exceed during the whole term of the license \$140 west of the Cascades; \$115 east of the Cascades.

3. That in the case of default of payment of a license fee on the due date not less than twelve months be allowed to renew the license; that a notice of sixty days be given before the license is cancelled; that interest at the rate of 10 per cent per annum be charged on overdue accounts, and that this provision be made retroacthat this provision be made retroac-tive in the case of all lapses occurring since the passing of the order-in-coun-cil reserving vacant lands.

4. That all licenses bear a permanent 5. That on surveys of timber license

5. That on surveys of timber licenses being made and such surveys proving that the licenses overlap each other, a proportionate reduction of license fee be made in order that the license holder will not be called upon to pay more than a proper proportion of the annual license fee for the ground he holds under his license. 6. The attention of the government is called to the fact that when claims

are surveyed there will undoubtedly be found many small areas of mer-chantable timber lying between and adjoining claims which in the best in-terests of all concerned should be logged at the same time as the limits which they adjoin and that statutory provision should be made the point.

municipality grounds.

A letter from the municipality's solicitor enclosing a copy of the bill of the Victoria council now before the legislature was received. The reeve suggested that each member of the council obtain a copy of this and peruse it to see that the rights of the municipality were not placed in jeopardy.

Inquiries.

Councillor Noble inquired whether in the event of a better water service being substituted by the city within the municipality who would own the lease.

The government promised to take the matter under consideration and to reply at as early a date as is possible.

GREATEST IN HISTORY OF BRITISH COLUMBIA

Revenue From Timber Licenses For January Surpasses All Previous Months

with the result that the department has not been able to even keep up with the work and many licenses applied for have not as yet been issued.

In all 2,854 ficenses were granted, each for a square mile of timber land. Of these 1,468 were issued for timber limits east of the Cascades, the fee for which is \$115 per limit; 1,386 were issued for limits west of the Cascades. The fee for these is \$140 per limit. Transfer fees during January aggregated \$886.

In all 48 coal licenses were issued, the fees aggregating \$4,800.

the fees aggregating \$4,800.

The revenue from timber for the first seven months of the present fis-

cal year has amounted in all to \$1,-305,392.28. Supreme Court Sittings

Supreme Court Sittings
The statutory February sittings of
the supreme court opens today, but
there are only two cases set for trial.
It is not likely that either will be tried,
owing to the fact that the parties in
one case are understood not to be
ready, while in the other the illness of
one of the defendants would seem to
make an adjournment inevitable.
