DOMINION EXHIBITION HALIFAX, September 22 - October 5

Local and Special News.

Today is nomination day to fill the vacancy in the town council caused by the resignation of Joseph I. Lloyd. It is said that Karl Freeman will be the only candidate nominated.
Comprising June let the S. S. Freney Ruper of the Dominion Atlantic Railway will perform a daily service (Sunday excepted) between St. John and Digby, leaving St. John at 7.45 a. m., and Digby at 2 p. m.
A special meeting of the town council was held last Friday evening. Councillors Chute, Longmire and DeWitt were appointed a committee to interview the owners of the land which will be wanted to carry out the proposed water extension and to get their rates.
At the annual spring convocation of McGill University, the degrees of B. Sc., (ad eundem gradum), and M. Sc. were conferred on R. S. Bochner, of Paradise, Mr. Bochner, in company with a party of five, shortly leaves for a three months' prospecting, exploring and scientific trip in the northern parts of Ontario and Quebec.
A special meeting will be held in the Salvation Army hall tonight led by Ensign Prince, of Moncton, N. B. Tomorrow night a nationality meeting will be given. Ensign Prince, Captains Wyld and McGivray, Lieutenants Smith and Chief of Police Bowles, of Digby, and others will take part, each wearing the national costume of the country they represent. Watch the street parade.
"Empire Day" passed off very quietly in town. As far as weather conditions were concerned it was all that could be expected. Large numbers left town, some to Hampton and Port Louis, and many tried their luck on the streams and lakes. The shoot for the Daniels' cup attracted many and resulted in a win for B. M. Williams with a score of 85.
R. H. Murray, of Halifax, provincial agent of the Society for the Prevention of Cruelty to Animals will be here tomorrow for the purpose of organizing a branch of that society. Through the kindness of the Foresters their room over the Monitor office has been placed at his disposal and those interested in the movement are requested to meet there at eight o'clock. A silver collection will be taken.
Both the contending political parties held their conventions here last week, the liberals on Wednesday and the conservatives on Saturday. At the former J. A. Bennett and O. I. Daniels were nominated, but the conservatives have not yet arrived at a decision. Alfred G. Whitman, of Halifax, seems to be the favorite in the running, but the hitch is over a question of three names which were proposed, including H. R. McKay and H. D. Ruggles, of Annapolis. A committee was appointed to make a final selection, the party pledging itself to stand by their choice. It is expected that this committee will report today.

A telegram was received here yesterday that Mrs. Hugh A. Calder, a former resident of this town, has died of consumption at Strathcona, Alberta. Mrs. Calder, a sister, was west some weeks ago to see her brother.

Have You a Friend?
Think of him about Ayer's Cherry Pectoral. Tell him how it cured your hard cough. Tell him why you always keep it in the house. Tell him to ask his doctor about it. Doctors use a great deal of it for throat and lung troubles.

Our Spring Stock
Ladies Oxfords
We are showing some very fine Oxfords, fine leather, laced, made from a factory that makes exclusively high grade shoes. Every pair is lined by a guarantee as to the quality and durability of the material used in their construction. What else do you want? The price is well, perhaps they come a trifle higher than some. Not more, however, than you would have to pay for good shoes. If then you will have to pay, you will find some not nearly as good. There are very few factories that turned out as good Oxfords as these, and there is none that make better.
Prices \$1.47, \$2.00, \$2.50, \$3.00
About a dozen different styles.
