**We Are Selling Cheaper Mileage**

You may get extraordinary mileage out of any one tire—but that's not the way to figure mileage.  
 Get the average of mileage given by a pair of tires or a set—and you will get nearer to the actual cost of mileage to be charged to the upkeep of your car.  
 It's just because we've taken the trouble to figure values that way, that we recommend Ames Holden "Auto-Shoes."

**From The West**

Among the guests who have lately been visiting relatives and other friends were Mr. and Mrs. Francis G. King, who were married at Yorkton, Sask., on March 24th and were en route to England to spend their honeymoon. It may be interesting to many to know that Mrs. King was Miss Olive G. Dodge, daughter of Mrs. James L. Dodge, formerly of Bridgetown, but now of Yorkton, Sask., and granddaughter of Mr. and Mrs. Wm. H. Whitman, of Clarence, Mrs. King was born at Bridgetown and moved with her parents when they went West some years ago. In 1914 she entered the Bank of Montreal in her home town, Mr. King also being employed in the same Bank, both working their way up to responsible positions. Last year Mrs. King was transferred to Vancouver, B. C., holding the position as accountant. Mr. King holds the position as manager at Springside, Sask. They will be absent from Canada three months. Part of the time will be spent at Mr. King's home near London, this being his first visit in 11 years. They will visit many places of interest in England and Scotland, also Paris and other cities on the continent. On their return they will reside at Yorkton, Sask.

**THANKFUL MOTHERS**

Once a mother has used Baby's Own Tablets for her little ones she would use nothing else. The Tablets give such results that the mother has nothing but words of praise and thankfulness for them. Among the thousand of mothers throughout Canada who praise the Tablets is Mrs. David A. Anderson, New Glasgow, N. S. who writes:—"I have used Baby's Own Tablets for my children and from my experience I would not be without them. I would urge every other mother to keep a box of the Tablets in the house." The Tablets are a mild but thorough laxative which regulate the bowels and sweeten the stomach, drive out constipation and indigestion, break up colds and simple fevers and make teething easy. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

**APRIL ROD AND GUN**

Turn some pigs loose in a swamp infested with rattle snakes and watch the fun. F. V. Williams did not do exactly that but he tells in April Rod and Gun in Canada what happens when some insect serpents. Mr. Williams tells of the snakes found in the vicinity of Tobermory on the Bruce Peninsula in Ontario, and what happened to them when some pigs were turned loose to slay and slaughter. "A Happy Hunting Ground" is the title of the leading story in this month's issue of Canada's national sportsmen's monthly. This article tells of the thrilling experiences in hunting bears in British Columbia. Nova Scotians will read with especial interest the story of hunting shore birds by Bonnycastle Dale. It tells of the difficulties to be experienced under the terms of the Migratory Birds Convention Act. In addition to these stories and articles there are nine others that will delight the heart of the nature lover. The Guns and Ammunition department and the editorial comment on the gun permit law will take the attention of the gun "crank" while Robert Page Lincoln and George Goodwin take care of the anglers and dog men, respectively. Rod and Gun in Canada is published monthly at Woodstock, Ont., by W. J. Taylor, Limited. A. J. Burns, Bridgetown, is local agent.

**NERVOUS PEOPLE NEED A TONIC**

**Dr. Williams' Pink Pills Enrich the Blood, Thus Increasing Your Nervous Energy**

Nervous people who have not yet developed a disease that can be recognized and treated by the medical profession, often have great trouble in finding relief. Irritation, headache, sleeplessness, nervous indigestion, all these discomforts make life miserable, but are endured rather than run a doctor's bill. Such sufferers should know the danger of such a condition, which, if allowed to persist, may result in a nervous breakdown. In this condition what is needed is rich, red blood. As a tonic for the blood and nerves, Dr. Williams' Pink Pills have been used with much success. They have a direct action on the blood, and through it carry to the nerves the elements needed to restore their normal function, at the same time improving the general health. The benefits that follow the use of Dr. Williams' Pink Pills is shown by the case of Mrs. Norman Seifried, West Montrose, Ont., who says: "It would be hard for me to overstate the benefit I have derived from the use of Dr. Williams' Pink Pills. Before I began taking pills I was very nervous, weak and run down. I could hardly do my housework, and as there is a great deal of work to do about a home on a farm, I felt very much discouraged. One day while reading a newspaper I saw an advertisement of Dr. Williams' Pink Pills and decided to give them a trial. I could not notice beneficial effects after taking a box of the pills, and by the time I had taken a few boxes I could again do my work with ease. Was no longer weak or nervous, slept well at night, and awoke in the morning feeling well and strong. I am happy to say that the pills, so greatly benefited me."  
 Dr. Williams' Pink Pills are sold by all dealers in medicine or will be sent by mail on receipt of 50 cents a box or \$2.50 for six boxes by writing The Dr. Williams' Medicine Co., Brockville, Ont.
