## FLORIDA!

Land for Sale in the County of De Soto, Lat. 26° 40'.

Twenty acres of good dry pine land on the Myakka River with over 500 feet of water front, 12 miles from the terminus of the Florida Southern Railway at Punta Gorda, with deep water all the way. Was selected for an apary, for which it is very suitable, being within easy reach of black mangrove, cabbage and saw palmettoes, and pennyroyal, the great honey plants of Florida. It is also suitable for growing lemons, guavas, pine apples, and all kinds of vegetables. The Myakka is a tidal river running into Charlotte Harbor, and steamers drawing eight feet of water can go right up to the property. At Southland, 2 1/2 miles down stream, a large canning establishment is just about starting.

Price for the whole \$12.50 per acre, or in 5 and 10 acre lots, \$15 per acre, cash.

ALSO

Forty acres of first-class high pine land on Shell Creek; water front; 4 miles from Shell Creek station, miles from Cleveland, and 9 miles from Punta Gorda, all on the Florida Southern Railway, and with water carriage for sail boat to all these places. This land is 15 feet above the creek, rich in phosphates, and will grow oranges and all kinds of citrus fruits without fertilizing. Price per acre for 10 acres and upwards, \$10 cash—a great bargain.

The climate is splendid; heat rarely extends 90° in the summer and very mild in winter, and is exceedingly healthy—no malaria or yellow fever.
