THE LARGE 103, YONGBSTREET.

Daily the terrors are brought from afar,
Of the noise, the confusion, the roar of war;
And the topics now in the popular and wise
Are the strength of the army, and force of the fleet.

But Britain decides, and decides not in vain—
That she shall the power of the Nations in command,
That while her thunder, on her cannons roar,
Her standard still shall beat each threatened shore.

And the tri-colored flag and the ensign are joined,
These arms in full, and their thunders are combined;
And the sons of each nation in their awful strife
Are determined to conquer or forfeit their life.

Yet tho' the war rage the thing is quite clear,
You must have new clothes at this time of the year,
Nor would it be prudent or wise to delay
In making your purchase much later than May.

Now, PEARSON has studied all statements below in reference to fabrics and prices will show
By securing the products of various climes
To make large provisions for these wonderful times.

His Stock is neither inferior or small,
But such as he truly will satisfy all;
And he therefore expects very early to see
His customer's patron at the ONE HOUSE AND
THREE.

CANADA vs. THE WORLD.

READER, If you inquire of any person or persons who have ever visited C. S. Powers' Newcastle Marble Works, or purchased Marble from any of his numerous Agents in Canada West, they will tell you that this is doubtless the Largest, Best and Cheapest Establishment of the kind in the Province, and is far inferior to any in British North America. His Marble, which he imports direct from the native Quarries, is of a very superior quality, and comprises every variety of European and American Marble it demands in this Country, and as he employs none but the best Sculptors in its manufacture, his work is permanently distinguished for originality and beauty of design, and skill in execution. He is now constantly manufacturing to order:

Monuments,

Obelisks,

Tomb-tables,

Head-stones,

Ornamental Inclosures,

Mantle Pieces, &

Marble Furniture.

of every description, at prices which cannot fail to secure the favor of a large portion of the Canadian public. If you wish to save your money, do not order work from any other House, without previous ascertaining the prices, which will always appear to be forwarded to any intending purchaser for a charge. Orders sent by mail should be post-paid and addressed.
