**FIFTY DOLLARS**  
**... PER WEEK ...**

Is the salary of a good ad-writer. In some of the large stores the Advertising Manager draws a princely salary—no higher than TEN THOUSAND DOLLARS per Year.

It is a proposition that pays. But a good ad-writer, same as a poet, must be born with the gift enabling him to write descriptions in a forceful, convincing style, which, while being interesting reading, sells the goods.

Nobody, no matter how talented—can take up ad-writing without knowing the necessary technical points. This must be learned. Advertising schools, charging as high as \$200 00 per course, are giving this instruction.

You may learn all the practical and technical points necessary to be able to write an ad by reading the only weekly paper which successfully teaches ad-writing.

### Brains for the Retailer and Advertiser.

It is not an experiment. This paper has stood the test over 12 years. Many an ad-writer, who is now on the top of the ladder, thanks this publication for his success.

### It Costs You Only Five Dollars.

This is the subscription price for a year. If you read **Brains for the Retailer and Advertiser** you will soon learn all the technical points necessary for an ad-writer to know. Send Check, Money Order or Currency to the Subscription Department of **Brains for the Retailer and Advertiser**.
