# Why You Feel

So weak and exhausted is because your blood is impute. As well expect the sanitary condition of a city to be perfect with defiled water and defective sewerage, as to expect such a compli-cated piece of mechanism as the human frame to be in good order with hapure blood circulating even to its minutest teins. Do you know that every drop of your two or three gallons of blood passes through the heart and lungs in about two and a half minutes, and that, on its way, it makes bone and muscle, brain and nerve, and all other solids and fluids of the body? The blood is the great nourisher, or, as the Bible terms it,

G C Brock, of Lowell, Mass, says. "For the past 25 years I have sold Ayer's Sarsaparilla In my opinion, the best remedial agencies for the rure of all the diseases arising from impurities of the blood are contained in this medicine."

Eugene I Hill, M. D. 381 Sixth Ave., New York, says: "As a blood-purifier and general builder-up of the system, I have never found anything to equal Ayer's Sarsaparilla. It gives perfect satisfaction."

Ayer's Carsaparilla proves equally efficacious in all forms of Scrofula, Boils, Carbuncles, Eczema, Humors, Lumbago, Catarrh, &c., and is, therefore, the very best Spring and Family Medicine
