THE HOOPER MANUFACTURING CO. LTD. WINNIPEG.

The Canadian Pacific Railway on Monday announced its decision to accept stock shipments for 50,000 tons for export. This company at first refused to accept live stock, after the quarantines of the New England states were put into force, as it prevented shipment over the company's lines through the state of Maine. Stock will now be transferred to the Intercolonial.

Canada has already 17,000 miles of railway that cost nearly \$200,000,000. She has the longest continuous stretch of internal navigation in the world. She has seventy miles of canal, 10,000 post offices, 30,000 miles of telegraph wires; 18,900 public schools; 60,000 men in her lumber camps in winter; 17 universities, and over fifty colleges; only fifteen per cent. of illiterates; a river lumber camp in winter; 6,000,000 people, of whom nearly 50 per cent. are Canadian born and only three per cent. foreign born; the remainder being British born. Canada ranks fourth in the production of gold; has a million square miles of practically unexplored territory; coal beds that will yield over four million tons annually for 1,000 years; and per capita debt nearly twice that of the United States.
