How Twelve Churches
Became One

"The chief character in this story is John Procter, a faithful pastor in Markham, a small city of a dozen or more churches. Becoming convinced that there is a criminal waste of religious effort through lack of co-operation among the churches, Procter leads a movement towards federation and ultimate union. He is assisted by Dean Randall, an Episcopalian, who is driven, however, to a sudden death through anxiety, by the hostility of his church brethren, because he invited Procter to preach in his pulpit. His son, Francis, who is in love with Procter's daughter, Jane, takes up his father's work; and William Procter, Jane's brother, is introducing, as a layman, the same principles of Christian union in the frontier town of Pyramid, Colorado. His love for Rebecca Phillips, the only daughter of an Andover Theological Professor, is an additional inspiration to William. Rebecca had refused to marry William because he was not a minister, and Jane had refused Francis Randall because he was. The interest in the story centres in the way these two girls decided their fate, and the way John Procter realized his hope of seeing the twelve churches of Markham made one.

The Life and Times of

Jesus
...The **Messiah**

...BY...

Alfred Edersheim, M.A., Oxon, D.D., Ph.D.

Complete in One Volume,
Unabridged, 8vo, Cloth,
1568 pages, \$1.25 net, Postpaid.

NEW EDITION.

PRICE STILL

FURTHER REDUCED.

THIS work, formerly published at \$6.00 net, is printed from entirely new electrotype plates, and is in every way far superior to any other edition.

THIS IS NOT the abridged edition advertised recently at about the same price, and part of which was not written by Dr. Edersheim, but by others after his death, but the complete and unabridged "Life and Times of Jesus the Messiah," never before published in less than two volumes at \$2.00 per set, with the same matter, printed from the same plates as our former edition, with 1568 pages, and made no larger, and but three-eighths of an inch thicker than volume two of the former edition, because of the use of a quality of paper, almost that which is used in Bibles, and the printing being perfectly registered, thus ensuring a satisfactory degree of opaqueness, so that the print does not "show through" at all where there is any printing on the other side of the sheet. It is in every way not only a perfectly, but a beautifully made book.
