## TENDERS WANTED

for the construction of an 85 foot span

### IRON BRIDGE

over the Payne River near Berwick, in the Township of Finch.

Sealed Tenders, addressed to John A. Cockburn, Esq., Clerk of Finch Township, Crysler, Ont., will be received up to the hour of 12 o'clock, noon, on the 17TH DAY OF JUNE, A. D. 1901, for the

- 1st. Construction of Piers and Approaches.
- 2nd. Construction of Iron Superstructure.

Estimated cost, \$3,046.00.

Plans and specifications may be seen at the office of T. H. Wiggins, Engineer, Finch, Ont., and at the office of John A. Cockburn, Crysler, Ont., after the 3rd day of June next.

10 per cent. of tender for construction of piers and approaches must accompany tender.

No tender necessarily accepted.

Sealed Tenders addressed to the undersigned, and endorsed "Tender for Pier and Abutments, Des Joachims Interprovincial Bridge, across the Northern Channel," will be received at this office until WEDNESDAY, THE 13TH JUNE, inclusively, for the masonry required in connection with the projected iron bridge over the main channel of the Ottawa river, across the northern channel, at Rapids Des Joachims, County of Pontiac, P. Q., according to plans and specification to be seen on application to the Postmaster, Pembroke, Ont., and at the Department of Public Works, Ottawa.

Tenders will not be considered unless made on the form supplied, and signed with the actual signatures of tenderers.

An accepted cheque on a chartered bank payable to the order of the Minister of Public Works, for eleven hundred dollars (\$1,100.00) must accompany each tender. The cheque will be forfeited if the party declines the contract or fails to complete the work contracted for, and will be returned in case of non-acceptance of tender.

The Department does not bind itself to accept the lowest or any tender.

By order,

JOS. R. ROY,  
Acting Secretary.

Department of Public Works,  
Ottawa, 23rd May, 1901.

Newspapers inserting this advertisement without authority from the Department, will not be paid for it.

### DATE OF PUBLICATION.

Architects, engineers, municipal authorities and others are reminded that the CONTRACT RECORD is printed every Tuesday afternoon, and that advertisements should reach the office of publication not later than 2 o'clock p.m. on that day to ensure insertion in the issue of the current week. Advertisements are frequently received too late for insertion, to avoid which special attention is directed to this announcement.
