The Gourlay-Angelus

The Piano anyone can play Artistically

THIS wonderful instrument is rapidly changing the musical conditions outlined above. In it will be found the complete and *immediate* gratification of all musical desires.

Technique—the one stumbling block in the way of universal ability to play—is at once supplied, complete and perfect, by the Gourlay-Angelus.

Musical expression is under the absolute control of the performer. The voicing of one's own ideals of interpretation is therefore simple and easy. This is made possible by the Phrasing Lever, the Melodant, the Melody Buttons, the Diaphragm Pneumatics.

The Angelus is the only Piano Player possessing these vital features. The Gourlay-Angelus is the *only* piano containing the genuine Angelus Player.

You can now have this wonderful instrument on very easy terms or we will make you a liberal allowance on your present piano and take it in exchange. But whether or not you are ready to purchase you should make it a point to hear this instrument at your first opportunity. Come in to-day and play it yourself. No obligation.
