A Chippendale Dining Room Suite

By the Toronto Furniture Co., Limited

"MANY A THING DIVINELY DONE BY CHIPPENDALE AND SHERATON"—Andrew Lane.

OF ALL furniture, that made by Chippendale is surely the most beautiful and practical, Beautiful because of its delicate carving, graceful curves, perfect proportions and soft, deep-toned coloring; practical because in everything pertaining to design, Chippendale subordinated all other elements to that of structural stability. ¶ In our replicas of Chippendale furniture, we have reproduced with fine sympathetic feeling and admirable skill the beautiful decorations, simple chaste lines, perfect proportions, and clear luminous finish that make the originals so delightful. ¶ The very simplicity which you admire in this Chippendale suite enables us to produce it at a price at least no higher than that demanded for ordinary furniture, lacking its distinction of style and finish. We invite you to view this and other notable periods in our line at the leading dealers in your locality.
