STRANGE BUT TRUE!

THE ONLY SURE CURE FOR DROPSY

READ THE FOLLOWING.

Messrs. C. Gates & Co.:

Gentlemen,—I should have written to you before, but neglected to do so. I feel it my duty to send you the following information, from gratitude to you and the benefit of those suffering as I was. About five years ago I was greatly afflicted with Rheumatism and Dropsy; my legs were swollen to an enormous size; I could not even get from my bed without the aid of my wife for several days at a time. I tried all kinds of patent medicines, and a number of bottles of Dr. Thomas' Electric Oil, and also Johnson's Liniment, but found myself worse. I applied to several doctors, from whom I received no benefit. In the following summer I went to Halifax, to the Provincial Hospital, and there lay under the doctors' treatment for eight weeks. I had my legs tapped twice and blistered several times. I suffered day and night—everything but death. I then left that institution and returned home, having received little or no benefit, and expecting never to get any better. I was then advised by a friend to resort to your valuable medicine, No. 1 Syrup and No. 2 and No. 3 Bitters, with a box of Nerve Ointment and Vegetable Plaster. The first few bottles I used I did not feel much better, but when I had taken six bottles the swelling was going down on my legs, and my whole system began to feel better. In all I used but twelve bottles, and I am now enjoying the best of health. I am thankful to God that he made your medicine an instrument in His hands of saving my life.

Yours very truly,
W. E. SHAFFER
