

NEWS AND NOTES.
TO THE DEAF.

A person cured of Deafness and noises in the head of 23 years' standing by a simple remedy, will send a description of it Free to any Person who applies to Nicholson, 177 McDougall street, New York.

The steam engines of the world represent, approximately, the working power of 1,000,000,000 of men, or more than double the working population of the world.

ADVICE TO MOTHERS.

Mrs. WINSLOW'S Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. 25c a bottle.

A good water proof cement can be made, it is said, from equal parts of red and white lead worked into a stiff paste with boiling linseed oil.

DIPHTHERIA.—To cure diphtheria use Minard's Liniment freely on the throat. Spread on brown paper or fat pork, put a teaspoonful in one gill of water, gargle the throat often and take 1/2 teaspoonful in a tablespoonful of molasses every 8 hours, giving Minard's Family Pills according to directions.

I can tell you, but you will never know the remarkable hair producing qualities of Minard's Liniment until you or your friends have used it. As a hair dressing it is perfectly clean, makes the hair soft and glossy, removes dandruff and prevents hair from falling.

CRYING FOR AID.—Loss of appetite, headache, depression, indigestion and biliousness, a sallow face, dull eye and a blotched skin are among the symptoms which indicate that the liver is crying for aid. Minard's Family Pills stimulate the liver to proper action and correct all these troubles. No family can afford to be without Minard's Pills.

Judge—Have you anything to say in your defense, prisoner?
'Only this, your Honor. It was all a mistake. I intended to rob another house and mistook the number.'

REWARD offered to any person shewing a case of headache, toothache, cramp, bruise, sprain, cough cold, croup, quinsy, hoarseness, burns, or numbness of the limbs that can not be cured by Minard's Liniment. It is good as a gargle in diphtheria and ulcerated throat, and is perfectly harmless when given according to directions.

Prof. Thurston says: 'The assumption seems fair that the locomotive engine will have been superseded when we double our speeds, and that we must find ways to utilize the weights of the cars themselves for adhesion and to make each to carry its own motor.'

A SURE REMEDY FOR NEURALGIA.

Neuralgia is one of the most common and painful affections incidental to this climate. Life to thousands is made very miserable through its agency, and as it affects the nerves, only the most powerful and penetrating remedies can reach it. Nerviline has created wonder in the minds of those who have uselessly tried other remedies, since its action seems magical. To all suffering from any kind of nerve pain, internal or external, we request a trial of Nerviline. Sold by all dealers in medicine, 10 and 25 cents a bottle.

Examples have been found in this country of kyanized timber which was in a good state of preservation after 28 years' exposure, but it seldom lasts a very long time when used for railway sleepers.

The greatest wrongs people commit against each other are those of which they are not conscious.

A society has revealed itself in England called the 'Proportionate Giving Union.' The members give a fixed part of their income to charitable works.
