No. 1.—THE MATE OF THE "CITY."

"GRIP" Now in its seventh year and Thirteenth Volume, and more popular and influential than ever before.

**PRESS OPINIONS.**

*Grip's* last is fully up to the character already attained by it. The cartoons are decidedly telling.—*Morrisburg Herald*

"Grip's" cartoon is again about Quebec. Mr. Chapleau is discovered shaking hands with Mr. Langevin after a successful shot in a bowling alley which resulted in a knock-down of all but two of the pins. The Opposition leader remarks: "I will get you all next time, and Sir John and Mr. Mousseau in the background are heartily enjoying the scene, while Mr. Joly in the distance is engaged in executing a flying leap of dismay and despair. The lower cuts are as usual excellent. We are glad to hear *Grip* is selling well in Quebec and that it is a prime favorite with everybody.—*Quebec Chronicle*."

**BALDNESS!**

Neither gasoline, vasoline, carboline, or Allen's, Aver's, or Hall's hair restorers have produced luxuriant hair on bald heads. That great discovery is due to Mr. Wintercorbyn, 144 King-street, West, opposite Revere Block, as can be testified to by hundreds of living witnesses in this city and Province. He challenges all the so-called restorers to produce a like result. Send for circulars. xii-12-1y
