which can be cured by a
timely resort to this stand-
ard preparation, as has been
proved by the hundreds of
testimonials received by the
proprietors. It is acknowl-
edged by many prominent
physicians to be the most
reliable preparation ever in-
troduced for the relief and
cure of all Lung complaints,
and is offered to the public,
sanctioned by the experience
of over forty years. When
resorted to in season it sel-
dom fails to effect a speedy
cure in the most severe
cases of Coughs, Bronchitis,
Croup, Whooping Cough,
Influenza, Asthma, Colds,
Sore Throat, Pains or Sore-
ness in the Chest and Side,
Liver Complaint, Bleeding
at the Lungs, &c. Wistar's
Balsam does not dry up a
Cough, and leave the cause
behind, as is the case with
most preparations, but it
loosens and cleanses the
lungs, and allays irritation,
thus removing the cause of
the complaint.

APPROPRIATION STOCK—Subscribed Capital \$3,000,000.
PERMANENT STOCK—\$100,000—Open for Subscription.
Shares \$100 00 payable ten per cent quarterly.—
Dividends of nine or ten per cent can be expected
by Permanent Shareholders; the demand for money
at high rates equivalent by compound interest to 14
or 16 per cent, has been so great that up to this the
Society has been unable to supply all applicants,
and that the Directors, in order to procure more
funds, have deemed it profitable to establish the fol-
lowing rates in the

SAVINGS DEPARTMENT:

For sums under \$500 00 lent at short
notice 6 per cent
For sums over \$500 00 lent on short
notice 5 " "
For sums over \$25 00 up to \$5,000 00
lent for fixed periods of over three
months 7 " "

As the Society lends only on Real Estate of the
very best description, it offers the best of security to
Investors at short or long dates.

In the Appropriation Department, Books are now
selling at \$10 premium.

In the Permanent Department Shares are now at
par; the dividends, judging from the business done
up to date, shall send the Stock up to a premium,
thus giving to Investors more profit than if they in-
vested in Bank Stock.

Ayer's Cathartic Pills,

For the relief and
cure of all derange-
ments in the stom-
ach, liver, and bow-
els. They are a mild
and aperient, and an
excellent purgative.
Being purely vege-
table, they contain
no mercury or min-
eral whatever. Much
suffering is prevent-
ed by their timely
use; and every family should have them on hand
for their protection and relief, when required.
Long experience has proved them to be the safe-
est, surest, and best of all the Pills with which
the market abounds. By their occasional use,
the blood is purified, the corrutions of the sys-
tem expelled, obstructions removed, and the
whole machinery of life restored to its healthy
activity. Internal organs which become clogged
and sluggish are cleansed by Ayer's Pills, and
stimulated into action. This invigorates the
system, changes into health, the value of which change,
when reckoned on the vast multitude who enjoy it,
can hardly be computed. Their sugar coating
makes them pleasant to take, and renders their
virtues unimpaired for any length of time, so
that they are ever fresh, and perfectly reliable.
Although searching, they are mild, and operate
without disturbance to the constitution, or diet, or
occupation.

Full directions are given on the wrapper to
each box, how to use them as a Family Physic,
and for the following complaints, which these
Pills rapidly cure:—

For Dyspepsia or Indigestion, Listless-
ness, Languor and Loss of Appetite, they
should be taken moderately to stimulate the stom-
ach, and restore its healthy tone and action.

For Liver Complaint and its various sym-
ptoms, Bilious Headache, Acute Head-
ache, Jaundice or Green Stools, Bilious
Colic and Bilious Fever, they should
be judiciously taken for each case, to correct the
disordered action or remove the obstructions which
cause it.

For Dysentery or Diarrhoea, but one
mild dose is generally required.

For Rheumatism, Gout, Gravel, Pain-
ful Swelling of the Feet, Pain in the
Side, Back and Loins, they should be con-
tinuously taken, as required, to change the disor-
dered action of the system. With such change these
complaints disappear.

For Dropsy and Dropsical Swellings,
they should be taken in large and frequent doses
to produce the effect of a drastic purge.

For Suppression, a large dose should be
taken, as it produces the desired effect by sym-
pathy.

As a Dinner Pill, take one or two Pills to
promote digestion and relieve the stomach.

An occasional dose stimulates the stomach
and bowels, restores the appetite, and invigorates the
system. Hence it is often advantageous where
no serious derangement exists. One who feels
tolerably well, often finds that a dose of these
Pills makes him feel decidedly better, from their
cleansing and renovating effect on the digestive
apparatus.
