Mercantile Summary.

THE BOSTON fire has caused an advance in
leather ranging from 3 to 10 per cent in the
U. S. markets; wool is also unsettled and
firmer.

THE FAILURE of Messrs. Cudlip & Snider,
extensively engaged in the lumber trade at St.
John, N. B. is announced.

THE NAME of Mr. Neal McMillan of Both-
well was wrongly placed among a list of assign-
ments last week; it should have been Mr. Neil
McMillan of Highgate, a place about seven
miles distant from Bothwell.

BY A DECREE of the Captain General of Cuba,
dated 11th of Oct., and issued at the instance
of the Junta, new and burdensome taxes have
been levied, which will tend to drive away for-
eign trade from the Island.

ON AND after Nov. 11th, all butter brought
into the Seaforth market will be inspected and
branded; and will only be bought by the dealers
on the Inspector's certificate or brand.

IMPORTS at the port of St. John for the month
of October were valued at \$785,948, against
\$717,727 in the corresponding month of 1871,
showing an increase of \$68,221.
