

A Joint Commission is established to look after the implementation of this Agreement. The Joint Commission shall examine if this balance has been achieved and, in case of the contrary, shall determine the measures deemed necessary to establish such a balance. A meeting of the Joint Commission shall take place in principle once every two years and it shall meet alternately in the two countries. However, it may be convened for extraordinary sessions at the request of one or both competent authorities, particularly in the case of major amendments to the legislation or the regulations governing the film and video industries in one country or the other, or where the application of this Agreement presents serious difficulties. The Joint Commission shall meet within six (6) months following its convocation by one of the two parties.

ARTICLE XVIII

The present Agreement shall be applied provisionally on the date of its signature. It shall come into force when each party has informed the other that its internal ratification procedures have been completed.

It shall be valid for a period of three years from the date of its entry into force; a tacit renewal of the Agreement for like periods shall take place unless one or the other country gives written notice of termination six (6) months before the expiry date. Coproductions in progress at the time of notice of termination of the Agreement by either Party, shall continue to benefit fully until completion from the conditions of this Agreement. After expiry of the Agreement its terms shall continue to apply to the liquidation of receipts from completed coproductions.

In witness whereof, the undersigned, duly authorized by their respective Governments, have signed this Agreement.
