

On the assumption that the lectures you are seeking is of the "Gifford" type I have made some enquiries & can now suggest the names of:-

1. Canon B. H. Streeter, Queen's College, Oxford.
2. Dr H. B. Selbie, Principal of Mansfield College, Oxford.

Please take that as the order of preference. Streeter has a great reputation & has done excellent work. Most people would regard him as more scholarly than Bishop Barrow, I believe. too. He is a good lecturer.

Dr. Selbie is older, but a great scholar also. I am sure Montreal would welcome him.
