M o n t r e a l.

Dear Sir:

I am taking this opportunity of informing you of the activities of the Montreal Youth Congress to which you have been so kind as to give your patronage.

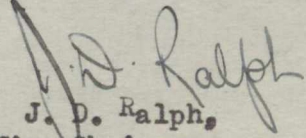

The Congress Movement in Montreal, due to several extreme organizational difficulties has, following the Congress in May, been comparatively inactive until recently. Within the past few weeks, however, the Congress and its Committees have met several times and have drawn up extensive plans for program for the year 1937. An examination of the enclosed pamphlet will indicate the general type of program which has been planned and which already is being prepared.

The first step, however, in this extensive program is the question of finances, and as a result, the Council has decided to hold a two week financial campaign for the purpose of raising funds to sustain the movement during the twelve month period of 1937. An estimated budget has been drawn up of the expenses which will be incurred during the course of the year and based on this budget, the objective of the Campaign has been set at \$2,000.00.

The Campaign will open with a rally of all the campaign workers and all people interested in the Youth Movement on Wednesday, January 13th at 8:30 P.M. at the Central Y.M.E.A. - Drummond Street, at which Mrs. E. R. Adair, President of the Y.W.C.A. (who has accepted the Honorary Chairmanship of the Campaign) will speak along with Reverend R.B.Y. Scott on local and Canadian youth problems.

We realize that unfortunately this notice comes to you a little late, but we would feel signally honoured if the meeting could be graced with your presence.

Most sincerely yours,

J. D. Ralph,
Vice-Chairman.
