

(c) Have entered upon his seventeenth year before the first day of September before entering the School for Teachers for an elementary diploma, or his eighteenth year before entering for any other diploma;

The Central Board shall have no power to make an exception to this regulation under any circumstances;

(d) Submit to the Secretary of the Central Board before entering, a physician's certificate to show that he is in good health and free from physical defects likely to interfere with his usefulness as a teacher.

25 Candidates for entrance to the classes of the School for Teachers must hold certificates or diplomas as follows:

(a) To the four months' elementary class, a Grade X certificate;

(b) The first session for this diploma shall begin with the opening of the School in September and the second session on the first school day in February. After receiving all applications in July the Central Board shall have the power to determine which session any particular candidate shall attend;
