

DEAR SIR,

The enclosed requisition has been got up at the request of a number of members of Parliament and other leading Liberals of Upper Canada. It is proposed to have it signed by as many members of the Opposition in the House of Assembly and as many members of the Reform press as feel inclined to do so; and addressed, with all the signatures attached, to six leading Liberals in each Parliamentary constituency. As Joint Secretaries of a local committee formed here, we have been instructed to invite you to join the movement and add your name to the requisition. Should the movement meet your approbation, we will thank you to attach your name to the document, and return it to either of us by return of mail.

We are,

Dear Sir,

Yours obediently,

J. GORDON BROWN, } *Joint Secretaries.*  
WM. McDOUGALL. }
