LEGAL PROCEEDINGS,

ACCORDING TO THE PLAN PROPOSED BY

CROFTON UNIACKE, Esq.

"If Law *be* a science, and really deserve so sublime a name, it must be founded on principle, and claim an exalted rank in the empire of *reason*; but if it be *merely* an unconnected series of decrees and ordinances, its use may remain, though its dignity be lessened, and he will become the greatest lawyer who has the strongest habitual or artificial *memory*."
