Saturday. If by chance they did, it would make a tie between the Shamrocks and Capitals, and a deciding game would have to be played. There is no doubt that the best team won yesterday, for the match was one of swift and clean lacrosse. There were no fouls or faces to detract from the enjoyment of the spectators, and only once did the referee have to blow his whistle. Then it was only because Tucker ran into W. Powers and knocked the superfluous breath out of him for a few minutes.

The match was won strictly on the merits of the play, and, while many will regret make a tie between the Shamrocks and Capitals, and a deciding game would have to be played. There is no doubt that the

can cavil at the way in which it was sailly been chieved.

The friends of the Shamrocks find it hard to explain the defeat. Up to the third game the Shamrocks had decidedly the best of it, and they scored the fourth in a way of the stail go wild. ELMS BEHIND, 1—5.

Streetsville, Sept. 18.—The first game in the semi-finals for the junior championship, C.L.A. was played here to-day between the Elms II. of Toronto, champions of York District, and the Thistles of this place, winners in the Royal District, and resulted in favor of the nome team by 5 goals to 1.

The first was scored by Tyle for the Elms after 38 minutes play. The five by the Thistles were scored as follows: A. Graydon in 2 min., F. Graydon in 2 min., F. Graydon in 12 min., F. Graydon in 2 min., F. Graydon in 12 min., F. Graydon in 1 min. Time was called on account of darkness, the Elms being an hour and a half late appearing on the grounds.

Montreal, Sept. 19.—Once more the lacrosse championship goes to Ottawa. The Capitals, by defeating the Shamrocks yesterday afternoon, undoubtedly won the championship, for there is very little likelihood that the Torontos will win next Saturday. ORANGEVILLE STILL IN IT.

Fergus, Sept. 18.—A meeting of the Judiclary Committee of the C.L.A. was held here last night to consider the protest of Orangeville against Wiarton. Messrs. Slater, Glanville and Macdonaid composed the Judiclary Committee. Orangeville made three charges, one against Richards, one against Ewing and the third against Samson. The charges against the two firstnamed were not proven, but the committee found that W. Samson was not a resident of Wiarton when his certificate was issued. They therefore cancelled the match played at Fergus on Sept. 6, and suspended Samson, and gave costs against Wiarton. The president has ordered the clubs to play the match over again at Harriston on Tuesday next. ORANGEVILLE STILL IN IT.
