# MAN'S BEST FRIEND THE LOWLY APPLE

For Ages Fruit Has Supplied World With Food, Wealth and Themes of Poetry and Prose

How little thought is given to common place things may be illustrated by the apple. We could jot down offhand more facts about the date or fig, the olive, the banana or the orange. To most of us apples are just apples-big and little, red and green, fresh and dried.

Hogs Sell at \$6.75 Cwt. - Sheep We have always been intimate hem, and so we have never given them a thought. As boys we have climbed the easy trunks of the old trees, stolen the windfall, and stoned the beauty way out on the bending branch till it capitulated

on the bending branch till it capitulated or the man got after us.

And yet we should know a lot about this abundant product, as it is the most important of the temperate zones; and, indeed, it is the only fruit that has passed the bounds of luxury and become a sun acre. Receipts of live stock at the City Mar-The market for cattle was strong at Tuesday's quotations.
