London, Sept. 27.—In a statement to the Moscow correspondent of The Manchester Guardian, regarding the peace terms offered by the Soviet Government to the Poles at the Riga conference, Leon Trotzky, the Soviet war minister, declared: "If the Poles refuse peace on those terms this will convince the most back-ward peasant in the darkest corner that it is impossible to obtain peace without a fight to a finish. Tiotzky declared the Bolshevik mili-ary situation was not so bad by a great deal as military circles in West-ern Europe imagined. "Here the board of commerce, will raise a point which, if sustaihed, will have a U. S. Aggression. berta coal miners has been issued by the One Big Union to take offect on October 1. This course has been intreatened for some time, but the situation between mine owners and miners has now reached such a stage that, unless something unforeseen happens, the strike will take place and western industry will receive a serious setback. Similar Action at Coast. A similar Action at Coast. A similar strike will likely be called in the coal mining district of British Columbia. This is the first time that the O.B.U. officials have called a strike openly and for their own principles.
