EMPIRE DAUGHTERS ATTAIN MAJORITY

Will Celebrate Event by Raising Funds to Supply Patriotic Libraries.

FIX ANNUAL MEETING

Necessity Is Urged to Encourage Support of British Publications.

At the meeting of the national executive of the Imperial Order Daughters of the Empire, held at headquarters in Toronto, it was reported that the I. O. D. E. will celebrate its twenty-first anniversary on the thirteenth, Mrs. Clarke Murray having inaugurated the body at Montreal in February, 1900. This notable event is to be celebrated by the members of the order in Montreal by raising a fund to supply patriotic libraries to schools where there are children of foreign-born parents in attendance; these libraries to be presented in the name of the foundress. The national executive were authorized to send a telegram of congratulation to Mrs. Clarke Murray on this occasion.

For British Literature.

Mr. Chas. Smith, of The London Times, addressed the I. O. D. E. upon the necessity of encouraging increased support of English publications in this country. He said the movement originated among a few returned officers and men on a troop train at Halifax. They resented the fact that 90 per cent. of the literature on the train was American, and they decided to take steps to combat the flooding of Canada with American propaganda. The task of educating the public has been a large one; if the endorsation of the Canadian public can be secured, it will be a tremendous factor in our success. The co-operation of the I. O. D. E. and other societies was solicited.

Mrs. Griffin, Hamilton, who had been the I. O. D. E. representative at the annual meeting of the Victoria League at the Guild hall, London, and had addressed their meeting, reported they seemed much interested in the I. O. D. E. work, which in many respects, is similar to their own.

A discussion on immigration and Canadianization followed.

Educating Farmers.

Mrs. Mulock, St. Catharines, told of a very practical work of Canadianization being undertaken at the I. O. D. E. rooms, where they are conducting classes in cooking and other household arts, which are much appreciated by foreign women anxious to learn our ways.

The president announced the date of the annual meeting May 30, and that Convocation Hall had been secured for the meetings during that week.

Mrs. James Spence, who, last year had looked after the transportation for the annual meeting, had agreed to do it again this year.

Miss Laing, national educational secretary, who had recently returned from a visit to Montreal and Quebec, commented on the excellent work being accomplished in these cities by the order. She announced that the memoranda for the Canadian bursaries for next year had been sent out, and in this connection mentioned that the Catholic school board in Quebec, will assume all expense in translating into French and sending out this memoranda. She said she had been congratulated on the fact that the order had been the first to afford an opportunity for a women to carry on research work in Great Britain. The educational report showed that six pictures and eleven libraries, and a pamphlet entitled "The Meaning of the Empire," had been issued to the chapters.

There were present at the meeting: Mrs. Graham Thompson, Mrs. MacMurchy, Mrs. McDougald, Montreal; Miss Wise, Mrs. Stewart, Perth; Miss Laing, Mrs. Lamef Spence, Mrs. Rutter, Miss Edwards, Mrs. Burkholder and Mrs. Griffin, Hamilton; Mrs. Hodson, Montreal; Miss Bollert, Mrs. Wise, Mrs. Mulock, St. Catharines; Mrs. Hill, Mrs. Kiely, and Mrs. Holmstead.

YOUNG WOMEN FORM NEW ASSOCIATIONS

Dominion Council Meeting in Toronto Urges Need for More Workers.

The annual meeting of the Dominion Council of the Young Women's Christian Association was held yesterday in the Bloor Street Presbyterian Church. Mrs. Stark led in the opening devotional exercises, which were followed by the minutes and address of the president, Lady Falconer. Reports from many parts were read, that of Toronto by Mrs. Adam Ballantyne, who pointed out that during the year 25 associations had been visited. New associations had been formed in Perth, Port Arthur, Owen Sound, Windsor and Moncton.

Reports showed there was fifteen holiday camps in operation thruout the country, in addition to the two provincial camps which are owned by the Dominion council. There were three new camps run by the associations.

The followinr was part of the statement as to conditions:

"It is becoming increasingly difficult for us to secure workers with the necessary training and experience for these posts in our associations. The demand for social service workers of all kinds seems to be constantly out-growing the supply, and although we have at present in our association a splendid body of secretaries, it is always a matter of grave concern when one of them drops out and someone has to be secured to fill her place. There are now two schools for social service workers in our universities, and it seems as tho some effort should be made to present the association work to these students as a possible means of service."

Requests for assistance in organizing and for information of various kinds had been received from may quarters.

BUILDING PERMITS ISSUED.

RABBI BRINKNER INSTALLED FRIDAY

Impressive Reception Accorded Successor of Rabbi Jacobs at Holy Blossom.

"I feel that you and I are entering into a holy covenant as sanctified as the holy covenant of matrimony itself. I stand before you, my congregation, to ask you to help me devote my life to the great service of this great community in Toronto. There will be no peace, no justice, no love in the heart of the world until we all realize the Fatherhood of God, thus realizing the essence of universal brotherhood. With all peoples the world over seething in the maelstrom of unrest it is a question among men today whether or not the world will live with God or without Him, risking the horror of chaos and ultimate void. The world is experimenting today with a social system which has cast God out of its heart, and chaos and misery are within it. Israel is in the world for a purpose. Israel must again discover that purpose."

It was in these stirring words that Rabbi Bernard Brinkner, the newly-installed rabbi of Toronto, responded to the benediction of the great Patriarch Gotthard Deutsch, dean of the Hebrew Theological College of Cincinnati, who installed the new rabbi at last night's inspiring ceremony of induction solemnized at Holy Blossom Synagogue, Bond street.

Very impressive was this old religious ceremony of the Church of Israel, all the men remaining with head covered. Dr. W. H. Gutzeit officiated at the organ, and Rabbi M. J. Merritt rendered the invocation. Miss Pearl Greisman sang the solo, "Save Me, O God," and the choir rendered with effect the anthem, "Rejoice in The Lord." A delightfully informal reception followed the services of induction in the vestry.

CONSERVATIVES PLAN MEMBERSHIP DRIVE

A membership drive in which all the Conservative ward associations of Toronto will be asked to cooperate is being planned by the Conservative Association of Toronto. Garrett Tyrrell, the organizing secretary, and others have arranged a plan of campign which, it is expected, will be endorsed by all the associations thruout the city. During, and for some time after the war, a political truce was recognized and the work of securing new members was not carried on to any extent, altho the membership in all the associations has been considerably enlarged during the past year.

It is now felt that something should be done to give the younger Conservatives of the city an opportunity to become active members of the various associations. The offices of the secretary are in the Ryrie building. The ladies' organizations thruout the city will be asked to cooperate with the men.

FLEMING WANTS ACTION ON PERCENTAGES DROPPED

The manager of the Toronto Street Railway, R. J. Fleming, made a pilgrimage to the city hall yesterday to try and induce Mayor Church to call off the legal department, who have instructions to sue the T. S. R. for the overdue percentages now amounting to about $750,000.

"It is an absolutely foolish procedure," said Mr. Fleming. "In a month or two the clean-up deal will be an accomplished fact and the city will be paying us millions of dollars in bonds. Then they can withhold what we owe as percentage of railway earnings." The mayor was out and Mr. Fleming did not wait.

ASKS COURT INJUNCTION TO PREVENT WEDDING

An unusual "forbidding of the banns" is that in which Domenico Marroni, of Montreal, invokes the aid of the high court of Ontario to restrain Giovanni Natale marrying Natilia Marcucci of Port Credit.

Marroni has entered action at Osgoode Hall for an injunction restraining his alleged rival from marrying his beloved, to whom he says, he, Marroni, has been for a long time engaged. He also asks the court to restrain Natale from influencing, inducing or persuading Natilia to break her agreement to marry the plaintiff, Marroni.

Damages, also, are asked for the inducements, which, it is alleged, Natale has already held out to lead Natilia to break her alleged agreement.

An order is asked restraining Natale "from interfering with the liberty and possession of his co-defendant, Natilia Marcucci."

REFERENDUM WORKERS BUSY ON ORGANIZATION

All members of the executive committee of Ward Three Toronto Referendum Committee met at Elm Street Methodist Church last night. The following appointments were made:

Honorary president, Mark Bredin; president, J. S. Robertson; secretary, T. G. Rogers; assistant secretary, J. E. Myers, and treasurer, J. P. Rogers.

The meeting proceeded with organization of the ward, appointing chairmen for each district of the ward.

The officers of the Toronto Central District, Epworth Leagues last night placed themselves on record as prepared to assist the Toronto Referendum Committee in its organization during the coming campaign.

The meeting was presided over by Roy Bainard, president of the Central District Epworth League, which represents a membership of about 800 young people.

EACH NEW TEST PROVES THE POWERS OF TANLAC

Statement of Frank Crossman Typical of What Is Being Accomplished Here by Master Medicine.

The gratifying results being obtained from the use of Tanlac is further evidenced in the case of Frank Crossman, of 20 Park street, Hamilton, Ont. Mr. Crossman is a well-known clerk for the Steel Company of Canada, and is also a veteran of the recent world war.

"I have already told lots of others about the wonderful good Tanlac has done me," he continued, "and I'm only too glad to give the medicine my public endorsement. While serving overseas in France I received a wound in the abdomen and was down in the hospital for five months. When I returned home I was weak and rundown, and although my wound had healed, my stomach was all out of order. I had no appetite and gas formed in such quantities it pressed against my heart and made breathing very difficult for me. I also suffered a great deal from constipation, headaches and biliousness. My nerves were all upset and at night I was restless and wakeful.

"I kept seeing Tanlac so highly recommended I started taking it, and on the second bottle I noticed my appetite began to pick up. My food did me more good and my whole system seemed to be building up. Well, sir, the third bottle found me greatly improved in every way and feeling more like I ought to. In all I have taken six bottles of Tanlac and it has fixed me up so fine I want to let others know what a great medicine it is."

Tanlac is sold in Toronto by Tamblyn Drug Stores and by an established agency in every town.
